

Empty homes report

Homes may become empty for a number of reasons and in most cases, this is a short term, or a temporary situation, for example awaiting sale, or letting, or to be renovated prior to occupation. The financial and personal circumstances of owners influences whether the property is brought back into use in a timely fashion. However empty homes are a waste of a valuable resource and sometimes can be a source of serious nuisance to those who live near them.

Empty homes exemptions

Empty homes are classified by Council Tax depending on why and how long they have been left empty. This classification includes owners in hospital, or receiving care, unresolved ownership matters, usually following the death of the owner, financial matters such as bankruptcy etc. and dependent on the circumstances an owner of an empty property may be exempt from paying council tax.
