

Additional Land, Adjacent to the Kiosk at Broadsands Beach, Paignton

Supplementary Information

Torbay Council currently manages the Kiosk at Broadsands Beach, Paignton. We have the intention to grant a lease to the operators of the Kiosk concerning the land surrounding the Kiosk to enable the land to be developed for additional outside seating for the public.

Due to the land being considered Open Space, there is a requirement on Torbay Council under the Local Government Act 1973 to advertise this leasehold disposal and seek comments and objections to the loss of open space.

The purpose of the notice is to provide an opportunity for members of the public to object to the loss of open space.
