1. Purpose of Report

- 1.1 The Fostering Annual Report sets Torbay's vision for the Fostering Service, its core principles, its key aims, main priorities and actions, the role of the Fostering Service and its various functions, the Fostering Service organisational structure, recruitment performance information, an outline of the fostering recruitment and marketing strategy and campaign, improvements in terms of foster carer support and retention, information relating to number of initial enquires received in the period of the 1st April 2021 to the 31st March 2022 and the next steps for the service.

2. Reason for Proposal and its benefits

- 2.1 It is a statutory requirement established by the National Minimum Standards for Fostering for each Local Authority to produce and publish an Annual Report. This Annual Report should be considered in conjunction with the Fostering Service Statement of Purpose, required under the Fostering Services (England) Regulations 2011, which is also included as an appendix.

- 2.2 Torbay's vision is one whereby its people are able to thrive, and our fostering community is an integral part of the service provided to our cared for children. As outlined within Torbay's Corporate Parenting Strategy, we want our cared for and care experienced young people to be safe, happy and health, in order that they can reach their full potential, and as corporate parents, we wish to give our cared for and care experienced children and young people the access to all of the opportunities that good parents afford their children. The dedication and commitment of our fostering families plays a critical role in how we are able to achieve this vision.

3. Recommendation(s) / Proposed Decision

1. That the Fostering Annual Report 2021-22 be endorsed and published in accordance with Council's requirements, as set out in Appendix 1.

2. Options under consideration

- 2.1 No options have been considered as this proposal is for information only.

3. Financial Opportunities and Implications

- 3.1 The Fostering Annual Report does not make recommendations in terms of any changes to the current service or staffing structure and therefore the decision to endorse does not carry with it any financial implications.

- 4.1 It is a statutory requirement established by the National Minimum Standards for Fostering for each Local Authority to produce and publish an Annual Report. There are no legal implications as a result of the decision to endorse this Annual Report.

5. Engagement and Consultation

- 5.1 A priority of the Fostering Service has been to enhance and develop the opportunities for participation, engagement and consultation with our fostering families. For the first time this year, a Foster Carer Workshop was held, which invited views from fostering families in respect of fostering recruitment, fostering support, Staying Put and Resilience Care. These Workshops are now planned bi-annually.
- 5.2 As part of the overall service, fostering families are encouraged to share their views regularly and in a variety of ways, from attendance at the quarterly Fostering Forums,

through quarterly thematic audits and through direct one to one conversations and communications with the fostering service and senior management.

8. Associated Risks

8.1 Should this Report not be endorsed, Torbay will not be compliant with the statutory requirements in line with the National Minimum Standards for Fostering. Should the Report not be endorsed, there will no change in terms of the fundamental function of the service however the Report would not be published, and could not be transparently shared with out fostering carers which would limit the ability of the service to share learning in respect of patterns and trends, and achieve clarity with our fostering families about the priorities for improvement.
