NOTES

TORQUAY & PAIGNTON HARBOURS

- 1 Work on the Torquay Harbour Bridge & Cill, originally planned for 2010/11 has been undertaken this year. Provision was made from the previous years budget with the corresponding funding coming back from the Reserve (see note 4).
- It is anticipated that there will be a reduction in employee costs due to the waiving of superannuation contributions by some employees. However, this has not been reflected in the projected outturn at present as employees are entitled to join the scheme at any stage.
- Marina income was down in 2010/11 due to the continuing difficult economic conditions. These conditions are expected to remain during the current year and as a prudent measure the projected rental has been reduced.
- 4 Funding for the Torquay Harbour Bridge & Cill work (see note 1) provided for from the 2010/11 revenue budget, via the Reserve.
