Individuals who appear intoxicated shall not be served.  
The number of guests shall be monitored to prevent overcrowding.  
Non alcoholic beer and snacks shall be available

Regular bottle and glass collections shall be undertaken throughout the premises.  
Patrons shall not be permitted to leave the premises with any glass belonging to the premises

Noise or vibration shall not emanate from the premises such as to cause persons in the neighbourhood to be unreasonably disturbed. In general terms, noise from the premises should not be audible within any noise sensitive premises (e.g dwelling) with windows open for normal ventilation especially after 23.00 hrs. This shall be assessed from the boundary to the nearest residential properties, on all sides of the licensed premises. The criteria that shall be applied are:-

- (ii) The local authority shall reserve the right in cases of tonal noise and where premises are attached to others (i.e. semi's and terraced properties), to make further assessments from within the residential property.

To reduce noise breakout, doors and windows facing onto any noise sensitive premises (e.g dwelling) shall be kept shut during entertainment. A management scheme shall be in place to ensure this situation remains.

The placing of refuse, such as bottles, into receptacles outside the premises shall take place at times that will prevent disturbance to nearby properties.
