NOTES

TORQUAY & PAIGNTON HARBOURS

- 1 There is currently a vacancy for one of the Harbour Assistant post. It is anticipated that savings will be offset by the cost of cover arrangements.
- 2 It is anticipated that there will be a reduction in employee costs due to the waiving of superannuation contributions by some employees. However, this has not been reflected in the projected outturn at present at this stage as employees are entitled to join the scheme at any time. Savings to date are offset by additional hours to cover the vacant Harbour Assistant post (see note 1)
- 3 Costs relating to the Port Masterplan have been carried forward from the previous financial year with a corresponding contribution from the Reserve (see note 5).
- 4 Officers are concerned of a potential reduction in the level of Marina rentals due to continuing uncertain economic conditions.
- 5 Contribution to fund the costs of the Port Masterplan (see note 3).
- Withdrawal to fund the planned implementation of a new harbour management IT system as highlighted in the Harbour Reserve Funds Project List reported to the Committee in March 2013.
