# Supporting Information

## 1. Introduction

---

- 1.1 Following the Local Elections in May 2023, work has been underway to set out the vision and priorities of the Council for the next twenty years. Consideration has been given to the Torbay Profile which describes the opportunities and challenges which are facing Torbay in terms of demographic, economic, social and environmental issues.
- 1.2 During the summer of 2023, the Council undertook its first Resident Satisfaction Survey based on the Local Government Association's "Are you being served?" methodology. The results from the Survey were presented to the Cabinet at its meeting held on 19 September 2023. In preparing the draft Community and Corporate Plan consideration has been given to addressing the issues with which residents are less satisfied.
- 1.3 The Community and Corporate Plan is the overarching document within the Council's Policy Framework. Given the issues which are identified within the Torbay Profile (a summary of which is included as an appendix to the draft Plan), it has been recognised that the vision and priorities can only be delivered over a longer time period than the Community and Corporate Plan has previously covered. It is felt that a twenty-year time period is a realistic timeframe to achieve our most significant challenges. A set of long term indicators is included within the Community and Corporate Plan which will be used to measure and track the progress of moving towards the Council's vision. The draft Community and Corporate Plan is included at Appendix 1.
- 1.4 In order to provide focus for delivery over the next four years, the Cabinet is also developing a Council Business Plan. This will provide details of the specific actions which will be taken to deliver the priorities within the Community and Corporate Plan together with milestones and/or targets. The Council Business Plan is due to be considered by the Cabinet at its meeting in December 2023.
- 1.5 The Council's performance framework will be updated so that the progress in meeting both the Council Business Plan and the longer-term Community and Corporate Plan can be managed.

## 2. Financial Opportunities and Implications

---

- 2.1 The proposals contained in this report do not commit the Council financially. As each aspect of the Plan is progressed, due consideration will be given to the financial impacts of each decision.
- 2.2 As part of the proposed approach within the draft Plan, there is a recognition that the Council needs to continue to reduce the cost-drivers of our high-cost services, deliver efficiencies and increase the Council's income where possible.

### 3. Legal Implications

---

- 3.1 There is no statutory requirement to have a Community or Corporate Plan. However, being clear about our ambitions gives the Council, our staff, partners and the community a clear understanding of what we seek to achieve and how to prioritise our spending.
- 3.2 The Council's Constitution sets out that the Community and Corporate Plan is part of the Policy Framework and that, as such, should be subject to consultation.

### 4. Engagement and Consultation

---

- 4.1 The aim of this Plan is to impact on everyone in Torbay and therefore the draft will be subject to as wide a consultation as possible. An Engagement and Communications Plan has been developed which utilises existing channels, partnerships and meetings to reach as broad a group of residents and stakeholders as possible.
- 4.2 As part of the consultation the Overview and Scrutiny Board is asked to consider the draft Plan and provide its views on whether the Plan sets out the right vision for Torbay in 2043 and whether the priorities identified will help us to achieve it.
- 4.2 As previously stated the Plan is the overarching document within the Policy Framework. A review of any subsequent changes which may need to be made to other plans and strategies within the Policy Framework will be undertaken. Consultation on those changes will, if appropriate, take place alongside the consultation of the draft Community and Corporate Plan.
