1	Investigation - 1 Initial summary/hand on	05/11/2023 00:10		#17808 [REDACTED]	No									
<p><i>Log entry:</i> From 17808 - Storm Log 922 of 04/11/2023 refers to a 999 call reporting a fight ongoing outside of THE OLD COACHING INN, FORE STREET, BRIXHAM.</p> <p>Upon police attendance, those that were fighting were no longer present and there was no ongoing disturbance. MOP's present not wanting to get involved or be forthcoming with information, however a video from an anonymous person was shown to see a fight taking place within the premises; namely between [REDACTED] and an unknown large bald headed white male wearing all black clothing. No other witnesses or victims coming forward and the premises owner confirmed no separate offences or damage caused. Police have attended [REDACTED]'s home address to check on his welfare and find out what had happened. [REDACTED] was not home, however his father [REDACTED] was and already knew of this incident. He explained that although not present, has been told that his son [REDACTED] and [REDACTED] were both assaulted by a male in name of [REDACTED] both outside and inside the pub. Dad could offer no further information and was visible angry and frustrated. They tried to get in touch with [REDACTED] and [REDACTED], but without success, but were confident that they did not require medical assistance and were safe at undisclosed friends addresses.</p> <p>Dad was reassured that the police were making a report and will await any contact from [REDACTED] or [REDACTED] regarding their supportiveness and what information they can pass.</p> <p>I have emailed dad at: [REDACTED]</p> <p>This has passed my contact details and request for contact in the morning re: what they would like to happen.</p> <p>At this time, we have only third party information and no confirmation of injuries. Supportiveness of persons involved is also unknown.</p>														
2	Investigation - General update	05/11/2023 22:06		#17808 [REDACTED]	No									
<p><i>Log entry:</i> From 17808 - I have received the following email from [REDACTED] (father of victim) following our address visit yesterday evening and subsequent email. It reads as the following:</p> <p>"Evening [REDACTED]</p> <p>Thanks for the email , it means a lot for your kind words , but my sons will be ok , their both tough enough and will get over it , like I said it's a shame the way our town has gone , it only takes a couple of fools to ruin it, shame . But thanks for checking up on them , please thank your colleague as well . But as far as we are concerned it is been put to bed .</p> <p>Thanks [REDACTED]"</p> <p>As a result, we have unsupportive victims and not much more information to detail the specific circumstances and offence. No further information provided re: suspect and appears safeguarding is being dealt with within the family.</p> <p>All parties managed to leave prior to police attendance and relevant medical advice has been given.</p> <p>No independent witnesses or conclusive CCTV.</p> <p>Occurrence to be filed please. Standard VNA submitted.</p>
