---

**Subject: Application for: Premises Licence**  
**Premises Name and Address: Eat That Frog, 89 Torquay Road,**  
**Paignton, TQ3 2SE**

- a) I have no comments to make on the above application
- b) The application does not meet the following licensing objectives:
- i) Prevention of crime and disorder
  - ii) Protection of children from harm
  - iii) Public safety
  - iv) Prevention of nuisance

because:- (please list those aspects of the application or variation that give you reason for concern and why you have these concerns).

Although the application suits the clientele that use it at present, the application is for a licence to sell alcohol which could be transferred at any time and operated with a different clientele group in mind. As such I recommend the following should be added to the licence:

- No children under the age of 18 shall be allowed on the premises unless they are attending a private function or working on the premises in the capacity as a trainee
- All children under the age of 18 attending private functions must be accompanied by a responsible adult
- All trainees on site who are under 18 must be supervised by an adult tutor
- A proof of age policy for any customer purchasing alcohol who looks under 25 years of age

I have spoken to Cherie Tookey at Eat That Frog who has confirmed that the company would be happy to include the above conditions on their licence.

Signed:
