# Supporting Information

## 1. Introduction

---

- 1.1 Torbay Council has a statutory responsibility under Section 5 of the Licensing Act 2003 (the Act) to review, consult and to re-publish its Licensing Statement of Policy (Licensing Policy). The Policy establishes the licensing controls placed on the sale of alcohol, provision of entertainment, and the operation of premises for late night refreshment.
- 1.2 Alcohol is an important component of Torbay's economy, particularly within the evening and night-time economy (ENTE). However, the use of alcohol can have a negative impact on individuals, families, local communities and Torbay as a whole and therefore needs to be carefully managed.
- 1.3 The process of review, consultation, and publication must be completed on or before 7 January 2026.
- 1.4 The Statement of Policy has been reviewed alongside the latest version of the section 182 statutory guidance.

The following minor updates have been made:

- Update or removal of any out-of-date website links; updates to new legislation and Responsible Authority contact details.
- Clarification that the Home Office Immigration Enforcement are not a responsible authority for Club Premises Certificates (section 6.11 of the statutory guidance, Appendix 1 of the Policy).
- Reference to the SWaN Charter and Project Nighteye
- Reference to the 'Agent of change principle' whereby existing businesses and facilities should not have unreasonable restrictions place on them as a result of development permitted after they were established (Section 14.66 of the statutory guidance, page 43 of the Policy).
- Removal of Mandatory Conditions from the Policy as these are required by the legislation.
- Expansion on safeguarding and an additional section in Appendix 5 with information for licence holders and their employees to help them report matters of concern to the relevant authorities.
- Expansion on illegal drugs and drink and drug spiking (page 16).
- Expansion on reducing the strength conditions (page 56).
- Expansion on the section regarding occupancy of licensed premises (page 57)

- An additional Public Nuisance condition between the hours of 23:00 hours and 08:00 hours to expect total sound containment within the licensed premises to ensure a noise nuisance is not caused to local residents (page 59).
- Expansion on the section regarding online alcohol sales and delivery services. This includes amendments to reflect changes in the s.182 guidance for premises providing alcohol delivery services. Persons who run premises providing alcohol delivery services should notify the licensing authority that they are operating such a service in their operating schedule. This ensures that the Licensing Authority can properly consider what conditions are appropriate. Premises with an existing premises licence which now choose to operate such a service in addition to their existing licensable activities, will need to contact the Licensing Authority so it can advise on whether this form of alcohol sale is already permitted or whether an application to vary the licence will be required (page 64 of the Policy).

More detailed sections have been provided in some parts of the Policy namely regarding:

- An additional section on 'integrating strategies' has been included in the introduction. This includes Public Health, Community Alcohol Partnership, Event Management and Safety Advisory Groups, Cumulative Impact Assessment (including updating all references to a Special Saturation Policy to CIAs) and Public Spaces Protection Orders (page 6-9).
- New applications and full variations (page 19 of Policy)
- Minor Variations (page 20 of Policy)
- Review of premises licence (page 21 of Policy)
- Relevant, Vexatious and frivolous representations (page 23)
- Use of Petitions (page 23)
- TENs (page 23)
- Provisional Statements (page 24)
- Fire Safety (page 33)
- The Terrorism (Protection of Premises) Act 2025 (Martyn's Law) – reference to the new Terrorism (Protection of Premises) Act 2025 which aims to keep people safe by enhancing our national security and reducing the risk to the public from terrorism at public venues. It will place a requirement on those responsible for certain locations to consider the threat from terrorism and implement appropriate and proportionate mitigation measures (page 33)
- Outdoor Areas and Smoking Areas (page 36)
- Night cafes and Takeaway Premises/Restaurants with delivery services (page 38)
- Fly posting and promotional material (page 39)

The Statement of Policy is a review of an existing Policy and therefore there is no change to impact of specific groups. Where there exists any potential for impact, this would generally be through the application process where there is the safeguard that any responsible authority or 'other person' may make representation. The four licensing objectives are also designed to ensure consideration of any impacts.
