1. Purpose of Report

- 1.1 The Fostering Annual Report sets Torbay's vision for the Fostering Service, its core principles, its key aims, main priorities and actions, the role of the Fostering Service and its various functions, the Fostering Service organisational structure, recruitment performance information, an outline of the fostering recruitment and marketing strategy and campaign, improvements in terms of foster carer support and retention, information relating to number of initial enquires received in the period of the 1 April 2024 to the 31 March 2025 and the next steps for the service.

2. Reason for Proposal and its benefits

- 2.1 It is a statutory requirement established by the National Minimum Standards for Fostering for each Local Authority to produce and publish an Annual Report. This Annual Report should be considered in conjunction with the Fostering Service Statement of Purpose, required under the Fostering Services (England) Regulations 2011, which is available on Torbay's fostering microsite.
- 2.2 Torbay's vision is one whereby its people are able to thrive, and our fostering community is an integral part of the service provided to our cared for children. As outlined within Torbay's Corporate Parenting Strategy, we want our cared for and care experienced young people to be safe, happy and healthy, in order that they can reach their full potential, and as

corporate parents, we wish to give our cared for and care experienced children and young people the access to all of the opportunities that good parents afford their children. The dedication and commitment of our fostering families plays a critical role in how we are able to achieve this vision.
