P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

A closed circuit TV System to be installed and maintained. Images recorded and retained for at least 28 days and to be handed to the Police / Local Authority on request.

CCTV should be installed on the outside of the premises as well as internal with a security guard outside to ensure that adults are not purchasing alcohol for minors and to disperse gatherings of kids, teenagers & adults

b) The prevention of crime and disorder

Notices to be displayed instore that it is an offence for under 18s to purchase alcohol.

Store fitted with panic alarm for staff to press in cases of emergency.

Store fitted with a burglar alarm.

All spirits will be displayed behind the kiosk

c) Public safety

The requirements of the Fire Officer to be complied with.

Crime, Drugs, underage drinking, Drink driving, ASBO's are being slowly curbed by the police & PCSO's. There is no mention of how you will combat Public safety with regards to the mentioned points

d) The prevention of public nuisance

No deliveries to take place between the hours of 11pm and 6am the following day.

Deliverys should be between 9am and 7pm due to the close proximity of residence reversing beepers and refrigeration units. Kids who loiter around the shop area are classed as a public nuisance as well as car doors banging at 11pm

e) The protection of children from harm

All staff trained in relation to underage related sales of alcohol. Proof of age scheme in place.

"Under 25" scheme in place and notices of this prominently displayed within the store.

Electronic till prompt when alcohol scanned through tills to remind staff to check age of purchaser.

"All due diligence" refusals log kept to record where sales of alcohol are challenged or refused.

To protect children from harm through Alcohol the licence should not be granted as there is another 1 possibly 2 shops that sell alcohol within 50 meters of this proposed licence, granting this licence will promote not protect children from harm. Promoting alcohol sales is against the government guide lines
