

To Chair of Priorities  
and Resources Review Panel

17th July 2014.

Dear Sir/Madam,

I was devastated when I heard of  
the possibility of Torbay Council closing  
Churston Library.

I am a retired school teacher and  
have lived in this area for over 30  
years. Many elderly people live alone  
here. The Library is their major  
lifeline. The Library is the hub of  
the community for young and old.

Please Save It

Yours faithfully  
Sue Bloomer.
