Dear Sir/Madam

Hop n Grapes, Lower Union Lane, Torquay, Devon, TQ2 5PR

I refer to an application for the Variation of a Premises Licence in respect of the above named premises, submitted by the applicant, Hop n Grapes Ltd.

For your information, the Hop n Grapes currently has the benefit of Premises Licence Number PL0125 issued by Torbay Council.

The premises are located within the Torbay Council Special Saturation Policy (Cumulative Impact Area) which has been identified as being subject to high levels of crime and disorder and alcohol related crime and it is also situated within the Torquay Designated Public Place Order. The premise has a capacity of 200 persons.

The Torbay Council Special Saturation Policy indicates that in the 3 year period prior to the publication of the Licensing Statement of Principles 2011, there had been a decrease in crime and disorder within parts of the CIA. The Hop n Grapes is situated in the top half of the CIA and research carried out by Mrs Smart in relation to 4 roads identified as being in close proximity of this premise indicates that since 2011 crime has continued to decrease in this area. This is a trend that the police wish to continue. In addition, your policy states "This is a welcome but managed trend which the Licensing Authority expects to continue by adhering to the current CIA". It is the opinion of the police that granting a licence for the sale of alcohol until 3.00 am daily at this premise will impact on the licensing objectives and add to the problems of crime and disorder and/or public nuisance in the area.

The Government Standard

The Torbay Council Licensing Statement of Principles 2011 Special Saturation Policy states that where a relevant representation is received in respect of an application for the variation of an existing premises licence, this would normally be refused, where it is anticipated that the application will add to the problems of crime and disorder or/and public nuisance in the area, unless the applicant can demonstrate within their operating schedule, that there will be no negative cumulative impact on one or more of the Licensing Objectives. The police consider that the applicant has not given sufficient consideration to the Licensing Statement of Principles 2011 and Special Saturation Policy as the proposed operating schedule is lacking in detail and in its current form is not enforceable. I now outline below a number of matters within the application that require further clarification.

1. The applicant has applied for boxing or wrestling entertainment between 1000 hrs and 0300 hrs daily. I do not consider the layout of the premises is suitable to hold such events, for example where will the ring be erected? Is there sufficient height within the building to accommodate this? The operating schedule does not include any information in relation to these events.
2. The applicant has applied for various forms of entertainment outdoors until 3.00 hrs daily however the operating schedule states "Restrict the use of external areas after 10 pm". It is therefore unclear what the applicant's intentions are in respect of this but the likelihood of public nuisance complaints from residents to the police and your Environmental Protection Team is extremely high should entertainment be provided in any external area at 0300 hrs on a daily basis.
3. The applicant has applied for late night refreshment until 0300 hrs daily. Is food being offered at the premises and if so until what time? If the premises are purely wet-led this could have an impact on the levels of drunkenness and the operating schedule contains no information on how the premises will deal with drunkenness or inappropriate behaviour.
4. The applicant has applied for the sale of alcohol until 0300 hrs daily, with the premises also closing at 0300 hrs daily. Therefore there is no drinking up period as is recommended within your policy and no indication within the operating schedule of how the premise will manage this.
5. The applicant proposes to have SIA licensed door stewards in sufficient numbers. What exactly does this mean? How many stewards will they have and when, or does this mean that they will be present at all times the premise is open?

6. The application indicates that CCTV will be installed with 23 cameras inside and out for 14 days. What exactly does this mean? When will the CCTV operate? What standard of images will the CCTV provide? Will the police have access to footage when required? If the police are not satisfied with the quality of footage or location of cameras will the Premises Licence Holder/DPS be prepared to make adjustments etc?
7. The operating schedule states "Night net radios" but does not indicate that the premise will actively participate in the scheme.
8. In respect of the Protection of Children from Harm, the application states "not allowed on premises after 20.30 pm". What exactly does this mean? Who will not be allowed on the premise after 20.30 pm, children (ie under 16) or under 18's?
9. In respect of the advice contained within Section 3 of your policy, it appears that the applicant has not considered this section as there has been no consultation with the police concerning this application and many of the important measures contained within this section aimed at promoting the licensing objective the Prevention of Crime and Disorder have not been included in the operating schedule.

I would also draw your attention to what I believe is an error within Table H of the application on page 11, when in respect of Sunday, the applicant has requested the terminal hour for this activity to be 0303 hrs.

In respect of the current management of the premises, Mr Gary Mewdell has held the position of DPS since 10 July 2012, and since that time there have been several incidents at the premise. Details of these are shown on the attached table and Form L10's. Police have had concerns re the provision of CCTV, intelligence re drugs/stolen property, after hours drinking and drunkenness. Should this application be granted the police are concerned that the levels of crime and disorder at this premises will increase, as is the case with the majority of licensed premises that sell alcohol and close in the early hours of the morning.

In conclusion, the police object to this application on the grounds that the granting of it will impact on the existing levels of crime and disorder and public nuisance both at the premises and in the area and, as the applicant has not demonstrated within the operating schedule that the granting of this application will not impact on any of the licensing objectives as is required by your Special Saturation Policy, the police respectfully request that the Licensing Authority refuse the application.

In order to assist at the hearing, please find attached:

- Form L10's in relation to incidents at the Hop n Grapes since July 2012, together with some work control documents completed by Mrs Smart
- Statement of PC Lee Collings, Town Centre Neighbourhood Beat Manager
- Table showing recorded crimes at the Hop n Grapes
- Map showing the location of pubs and clubs within the CIA
- Table detailing the closing times of pubs and clubs within the CIA
- Sheet showing the crimes levels in respect of the upper half of the CIA.

Should you require any further information, please do not hesitate to contact Julie Smart on 01803 218900.

Yours faithfully

Whilst off-duty the reporting officer witnessed a violent altercation break out in the street directly in front of the main entrance to Hop n Grapes Public House. It involved at least two white males fighting, one of whom was using a dog chain/leash as a weapon. Both males were shouting and swearing loudly in the street. From the officer's restricted viewpoint it appeared that the fight had spilled out from the pub and that a number of people were stood in the pub doorway watching.

A short while later the officer walked past the premises and two known nominals were engaged in conversation with a male stood just outside the doorway of the Hop n Grapes, on the street/pavement, who was smoking and drinking a pint of lager.

The fight was reported by 999 call - STORM CAD 680 20/10/12 refers.

Non uniformed officers visited the pub at approx 1300 in the afternoon. this was in response to intelligence that the pub was used to handle stolen goods. the visit was carried out under operations Ambassador and Brixton. Although quiet there was a small group of people in the pub near to the entrance. Associates of nominlas were seen to eneter during our time there but no criminality seen. However there were a number of handwritten signs around the pub, presumably by the DPS, stating that drug use or supply would not be tolerated in any part of the pub. there was one even in the male toilets which read: "IF I FIND OUT WHO IS DOING STUFF IN MY TOILETS I WILL CALL THE POLICE!", and went on to say that staff would be checking both male and female toilets. This indicated to me that there had been a problem with use/supply previously but it was in the officers opinion that the DPS had tackled the issue in a positive and robust way.

He could not remember it at all. I told him that the police had attended the premises and seen approx 12 people still drinking and that he had been unable to work the CCTV. He stated he still couldn't recall the incident. He stated that he doesn't do after hours drinking, but sometimes staff stay on after the premises are closed and have a drink whilst they bottle up and clean. I warned him re after hours drinking and levels of drunkenness.</p> <p>I asked Gary what the position is with regards to him being DPS at the Hop n Grapes as Jock McIndoe from Plymouth had phoned me a couple of weeks ago as he was taking a premises on in Plymouth. He stated he is DPS at the Plymouth premises but only as a temporary measure and is hoping to come off that licence soon. He told me that there had been a stabbing incident a few doors away from that premises over the weekend and police had requested CCTV. He has given them this and said that both parties had been drinking in there prior to the incident. I told him that should I see an increase in issues at the Hop n Grapes, I may request that he comes off one licence to</p>

ensure he can provide adequate supervision. He told me that he drives to Plymouth every day to ensure that that premises is visited and when he is down there his wife, Tracey, is responsible for the Hop n Grapes and she has a Personal Licence. Will bear this in mind should further problems arise at the Hop n Grapes.

Phoned Premises Licence Holders Stars Pubs and Bars Ltd, 0131 528 1000, who informed me that premises are currently being managed by LT Management Services, their contact being Gary with a mobile number of 07445 997687 - this is likely to be Gary Mewdell, the DPS.

Rang Gary's mobile and left message requesting he contacts me.

SMART Julie 50403 (26/03/2013 16:08):

FT/13/1216 refers. CCTV has now been provided. No further useful information contained within crime, although it does state that offender had been "drinking all day. He'd been drinking lager until [REDACTED] started buying Bacardi while they were in the Hop n Grapes".

On entering premises there were about 8 people in bar and a female bar maid approached me, she had been stood outside smoking when I entered. Requested to speak to Gary but she said he was not available. Discussed L10 with her and fact that apparently there had been an issue with CCTV. I asked her if this was now working and she replied that she didn't know. I explained that CCTV is not a condition of the premises licence but as there is a system in place it should be working at all times and the police expect to receive footage when requested. Asked female to ensure she informed Gary of my visit and to check with him that CCTV is operating correctly. When speaking to this barmaid I did not feel that she was interested in my discussion with her and did not feel reassured by her attitude.</p> <p>No further action required.</p> <p>SMART Julie 50403 (03/12/2013 09:46):</p>

03/12/13 - FT/13/8093 viewed. Relates to a domestic type ABH between 2100 and 2200 on Saturday 23/11/13 where male pushed female aggrieved to front of body which caused her to fall over and bang her head. She lost consciousness for a short time. Offender then dragged off by others at location. Aggrieved then taken to private area of pub for her own safety. Officer attended premises and spoke to Gary Mewdell (DPS) who said his CCTV had recently stopped working and that he had replaced the hard drive on the Sunday following this incident so no footage is available. Statements of witness and victim do not corroborate events. Both male and female had been drinking all day and were heavily intoxicated, with aggrieved being more so than offender. Premises does not have a late licence and therefore there is no requirement for premises to have CCTV.

Premises to be visited.

Brief summary / action taken (if not recorded elsewhere):

On Friday night 04/07/14 at approx 2000hrs Police were called to a report of a large fight outside Vodafone on Union St in Torquay. On arrival Police spoke with the victims a male and female victims of an unprovoked attack. The male suffering a deep cut to his forehead and several other cuts along with a dislocated shoulder. The female was later taken to hospital after suffering bleeding from her crotch. The offenders were described by the victims and several other witnesses stood by. The area was busy with interbational students and mebers of the public all distressed by what they had witnessed. The suspects were stopped by PCSO's seen exiting the Hop and Grapes pub. The suspects were aggressive, clearly drunk, and were susequently arrested by officers. When being arrested several drinkers from the Hop and Grapes came out to watch the incident jeering on the arrested suspects. One female became obstructive towards Police walking out of the pub towards officers some 20 yards out of the pub and on to the street. The female described as portly build, with short blonde hair approached one Police officer asking what we were doing. She was told we could not give her information at this time and was asked to go back in to the pub. She failed to take this officers advice and then approached another Police officer who was trying to control one of the aggressive suspects. The officer clearly trying to control the male was approached by the female. The female asked again why the males had bene arrested. At this point she stated that she was the land lady and that these were reular punters and she wanted to know why they had been arrested. When she was told that Officers could not tell her she became obstructive and abusive to the Police Officer. Continued on attached sheet.....

The female was later taken to hospital after suffering bleeding from her crotch. The offenders were described by the victims and several other witnesses stood by. The area was busy with international students and members of the public all distressed by what they had witnessed. The suspects were stopped by PCSO's seen exiting the Hop and Grapes pub. The suspects were aggressive, clearly drunk, and were subsequently arrested by officers. When being arrested several drinkers from the Hop and Grapes came out to watch the incident jeering on the arrested suspects. One female became obstructive towards Police walking out of the pub towards officers some 20 yards out of the pub and on to the street. The female described as portly build, white female, with short blonde hair approached one Police officer asking what we were doing. She was told we could not give her information at this time and was asked to go back in to the pub. She failed to take this officers advice and then approached another Police officer who was trying to control one of the aggressive suspects. The officer clearly trying to control the male was approached by the female. The female asked again why the males had been arrested. At this point she stated that she was the land lady and that these were regular punters and she wanted to know why they had been arrested. When she was told that Officers could not tell her she became obstructive and abusive to the Police Officer. She began to raise her voice and cause a scene that would be considered a public order offence at any other time had the Officers not been dealing with a serious assault with two suspects in custody. The males had been involved in an assault close to the pub, It is unknown if the doorstaff saw the assault but these males were allowed to enter the pub shortly after the assault had taken place. The licensee during this incident was very unprofessional, and was obstructing Police investigating a serious assault. Her behaviour was completely unacceptable.

Read out content of L10, Mr Mewdell stated that female described is his partner, Tracey Swift. He stated he didn't know much about the incident and particularly not about Ms Swift's attitude but he will discuss this with her and inform her that it was inappropriate. Discussed issue of drunkenness of individuals, he disputed that they were drunk and had door staff on duty. Advised him that police are expert witnesses as identified drunks and therefore they were drunk. He will discuss with his bar staff and ensure they do not serve even if allowed in premises by door stewards. Asked him to</p>

ensure stewards regularly walk around premises and eject where necessary. Mr Mewdell stated incident occurred down the road from his premises but it was pointed out that they were in there immediately prior to the incident and therefore a link has been established. Asked Mr Mewdell to ensure that CCTV is provided to police and he stated he had burnt it off and it was upstairs awaiting collection, advised him that he should get it and I will ensure it is passed to CID. He then went up and got it for me. Advised him that CID wish to speak to his partner about what she witnessed and obtain witness statement from her, he said she is working today and I said that I would pass his mobile number to CID for them to make contact.

CCTV and Gary's mobile number handed to CID on return to office, however Emma Kendrick was not available so disk was placed in an envelope marked for her attention.

Discussion re his other premises in Plymouth, The Junction, he no longer has this premises and stated it was really hard work and not worth the effort.

Mr Mewdell asked for some drugs posters so I will ensure that he gets some.

No further action required.

Brief summary / action taken (if not recorded elsewhere):

Police were called to a report of a collapsed person overdosed on Cocaine and alcohol, with others causing a disturbance in the background. The call to Police was made by Ambulance Control. On arrival the collapsed person was being seen by an ambulance crew while many persons milled around the doorway and pavement on to the road. There was a 'charity evening' on at the time and the D.P.S. and other staff were in fancy dress, indistinguishable from the crowd which appeared to have no formal control being imposed upon it. Persons were arguing and being hostile, clearly already very intoxicated, but not then being prevented from re-entering, or asked to leave or ushered away from the doorway. the scenario caused a disturbance/delay for a large number of other members of the public, including vehicles including a Coach that had just loaded persons from a nearby venue and could not then get through due to the Ambulance and other emergency vehicles, and some of the crowd.

One male from the crowd was arrested for 'Drunk and Disorderly' behaviour. He was vomiting after his detention.

D.P.S. that night gave his details as Gary MEWDELL [REDACTED]

Gary said that the male came in and appeared ok but went outside and collapsed. Ambulance was called and then police turned up which he said wasn't necessary and led to further problems. Gary said two females started arguing and door stewards refused entry to 2 persons. I informed Gary that the report I have does not reflect that and clearly indicates that very intoxicated persons were allowed back into the premises. Gary disputed this. I told Gary that one male had been arrested for being drunk and disorderly and whilst in custody was vomiting. Gary said that the police should not have arrested this male as in his opinion it was unwarranted and I advised Gary that if the police arrive at an incident and there is an argumentative and hostile crowd with persons clearly heavily intoxicated they have to deal with that situation in whatever way they see fit. Gary then stated that the premises will be having a fancy dress halloween evening and I advised him to make sure he monitors the levels of drunkenness.

I am Police Constable 2671 COLLINGS of the Devon and Cornwall Police currently stationed at Torquay Police Station. I write this statement in relation to the proposal from The Hop n Grapes to vary their licence to allow them to sell alcohol and stay open until 0300hrs every night of the week. I am currently the Neighbourhood Beat manager for Torquay town centre and have previously worked on a specialised team dedicated to Policing Torbay's night time economy for several years. In my opinion it is highly likely that if this application is granted the premises will impact on crime, disorder and public nuisance in the area. This year I have arrested two suspects who fled to the Hop n Grapes. One of the suspects stored a stolen bicycle inside the premises. The other male had consumed alcohol in the premises before assaulting a male causing GBH injuries. This male was arrested shortly after the incident after having returned to the Hop n Grapes. Having worked Policing the night time economy of Torquay for several years any incident that would potentially arise during the proposed extended hours would put a strain on Policing due to the location of the premises being situated some distance from the main 'late opening' licensed premises.
