3 December 2014

Dear Sir/Madam

The Cattle Grid, 59 Abbey Road, Torquay, TQ2 5NQ

I refer to an application to for the Grant of a Premises Licence in respect of the above named premises, submitted by the applicants, Ms Jenna Heasman and Mr Vince Aggett of Meat 59.

For your information, this premise is situated within the Torbay Council Cumulative Impact Area and Designated No Drinking Zone.

My Police Licensing Officer, Mrs Julie Smart, initially discussed this application with Ms Heasman on 3 November 2014 and advised her of the conditions the police would wish to be included within the application. At that time Ms Heasman indicated that these conditions would be acceptable and informed Mrs Smart that she was meeting Mrs Karen Ellicott of Torbay Council, on Wednesday 5 November 2014 to make her application. Mrs Smart therefore sent an email (see copy attached) to Mrs Ellicott containing details of the agreed conditions in order that they could be included within the application. However, despite this course of action the conditions have not been included within the application and the police therefore request the following:

1. 'Alcohol only to be served with food' be replaced with "Alcohol will only be consumed by persons sat at tables and having a table meal at the premises".

The police seek this amendment as the meaning of 'Alcohol only to be served with food' is not clear and could be open to interpretation. The applicant has

smoking on the pavement at the front of the premises which could lead to congestion of the pavement and public nuisance issues.

For your information, Mrs Smart discussed the above matters with Ms Heasman again on Wednesday 3 December 2014 and she indicated that these conditions are acceptable to her.

Should you require any further information, please do not hesitate to contact Julie Smart on 01803 218900.

Yours faithfully

Karen

Just discussed the above premises with a Jenna Heasman who I think you are seeing on Wednesday re her application for a new licence.

Basically I have agreed the following with her:

Opening times – 7.00 am until no later than 12.30 am.
Alcohol times – 7.00 am until no later than 12 midnight.

She wants to include an outside area within the licence but this will not be a Pavement Cafe Permit area and she also wants to have off-sales. She says she wants to do alcohol delivery with takeaways in the future but from discussions I don't think she is going to include this in this application, and I've said that she will need to include something about delivery drivers operating Challenge 25 Scheme.

Please can you add the following conditions on the licence:

Alcohol will only be consumed by persons sat at tables and having a table meal at the premises.
The premises shall operate a Challenge 25 Scheme whereby any person appearing under 25 will be required to produce an approved form of photographic ID.
Smokers will be directed to use the designated smoking area at the side of the premises and will access this area via the internal side door.
All persons eating and drinking in the external seating area, will be served by waiter/waitress service and will be monitored by these members of staff.

Jenna is hoping to install CCTV and I have requested that this is also put on as a condition on the licence if she is going to have it installed:

A CCTV system, capable of producing images of an evidential standard, shall be installed in the premises and the external area and will be in operation at all times the premises are open to the public. This system shall be maintained to the satisfaction of the police and all recordings from the system shall be retained for a minimum period of 14 days, during which time the police shall have access at any reasonable time.

Regards
