

Strategic Priority	Priority	Action Ref	Strategic Priority	Facility	Sport	Ownership	Management	Proposed/required action and potential funding				Impact	Partners	Lead	Resources	
								Short Term 0 - 1 years	Medium Term 1 - 3 Years	Long Term 3 + years						
								General								
Baywide Strategic	Protect	G1	Resist the loss of any existing sports facilities that are available for community use or could contribute to meeting future community needs, unless replaced by equivalent or better provision in terms of quantity and quality in a suitable location.	All sports facilities	All Sports	Community & Private	All	Policy to be progressed through Local Plan Review (SC2)Facilities to be protected as listed within Appendix to this document.				Continue to provide adequate facilities for population	Planning	Torbay Council		
Baywide Strategic	Protect	G2	Resist the loss of existing sites allocated within the adopted Local Plan for sport and recreation unless replaced by an alternative allocation which is equivalent or better in terms of quantity and quality and in a suitable and accessible location.	All sports facilities	All Sports	Community & Private	All					Continue to provide adequate facilities for population	Planning	Torbay Council		
Baywide Strategic	Enhance	G3	Support community use of sports facilities on educational sites. • A vision for community sports hubs (see below) with schools at the heart will be a positive way forward for indoor and outdoor sports provision • With a shift in practice among school managers and governors, existing school facilities can offer much potential to meeting the wider future requirements of the local sporting community in Torbay and benefit the schools themselves in terms of income provision and closer links with their local communities.	Education sites	All Sports	Schools, South Devon College (SDC), Torbay Sports Council, Clubs, NGBs, Sport England	Education	Promote partnership working between schools, colleges, Torbay Council, Torbay Sports Council and other facility operators in Torbay to develop community use through: • Setting up forum/leadership group to take this issue forward within Torbay • Preparing and promoting a presentation on the benefits of community use of school facilities to school managers and governors, using examples of good practice from within the Bay • Convening a meeting of all Community Use Managers and/or Booking personnel at schools in the Bay to discuss how to take this forward • Building on lessons learned from Sport England’s ‘Access to Schools’ project which is being rolled out in other areas • Consider the use of school sports halls as specialist facilities for particular sports (e.g. cricket, badminton, volleyball, basketball centres of excellence) (see under sports halls)	Raising awareness of the huge range of facilities on school sites by setting up a website/information hub providing information on all school sports facilities (as well as other facilities in Torbay) Securing community use agreements at all secondary (as a priority) school sites using model templates provided by Sport England.	Setting up a co-ordinated booking system between all schools, Council run facilities and other providers (particularly for halls)	Continue to provide adequate facilities for population	Education and Planning	Torbay Council			
Baywide Strategic	Enhance	G4	Work towards, wherever possible, sports facilities are easily accessible (by foot, cycle, public transport and park and ride schemes), affordable and able to contribute to a healthy quality of life.	All sports facilities	Multi sport	All	All	Ensure that wherever possible (and for all new sites) sports facilities are linked in to the developing cycling network within Torbay, with safe cycle paths and appropriate bike storage facilities. To keep sports facility charges under review and benchmark against nearest neighbour authorities	Undertake an assessment of access by public transport to sports facilities, with a view to introducing measures that will result in sports hub sites (as a priority) being served directly by public transport, particularly from those parts of Torbay which are identified as experiencing multiple deprivation Investigate further the possibility of providing cheaper (or free) car parking – initially for a trial period - for sports facility users at sites where charges apply at present (i.e.		Continue to provide adequate facilities for population	Education and Planning	Torbay Council			
Baywide Strategic	Enhance	G5	Offer advice on the marketing of sports facilities in Torbay and, in particular, target marketing at low participant groups, particularly young people, women, people with disabilities and the elderly.	All sports facilities	Multi sport	All	All	Utilise Sports England’s Market Segmentation data in any future targeted marketing of sports facilities. • Take into account future population trends and the need to promote health and well-being.				Continue to provide adequate facilities for population				
Baywide Strategic	Enhance	G6	Focus on improving the sustainability of sports facility sites	All sports facilities	Multi sport	All	All	Work towards ensuring that: • any new sites identified are able to accommodate intensification of use i.e. provision and/or upgrading to artificial grass surfaces, provision of floodlighting and other appropriate lighting, car parking etc • facilities are energy efficient • where possible, adjacent facilities are managed and developed jointly, with sharing of access, facilities and resources. This includes both indoor and outdoor facilities and playing pitch facilities				Continue to provide adequate facilities for population				
Baywide Strategic	Enhance	G7	Offer support to sports clubs to become sustainable	All sports facilities	Multi sport	All	Sports Clubs	• The adoption of a clearly set out policy for asset transfer including details of the criteria that will be used for decision making and steps that should be taken to secure the use of a site or facility. This should focus upon transfer of assets to clubs that are able to demonstrate long term development plans and have achieved appropriate accreditations. Any leases should give adequate protection and assurances that facilities will still be available for public use. • Advise and assist clubs in obtaining security of tenure at their facilities at realistic cost • Support proposals for peppercorn rent for all sports clubs. • Ensure all sports clubs receive fair rates	Encouraging clubs to achieve relevant accreditations and to work towards long term robust development plans. Provide central hub or base for information – preferably web-based - about club management, funding, maintenance and opportunities within Torbay		Improved facilities and clubs	sports clubs. NGB’s	Torbay Council			
Baywide Strategic	Enhance	G8	Identify sporting hub sites. In order to make the most effective use of existing facilities (including indoor sports facilities and outdoor facilities, including courts, greens, grass pitches and artificial grass pitches) improve sustainability of sites, increase participation, benefit from the sharing of facilities, resources and finance and support bids for funding.	Sports Hubs	Multi sport	All	All	A number of hub sites to be identified, which will be prioritized in terms of further development. School sports facilities to be placed at the centre where appropriate and multi sports and agency partnerships formed to manage facilities collectively and increase participation.				Improved facilities and clubs	sports clubs. NGB’s			
Baywide Strategic	Enhance	G9	Supporting economic regeneration and income generation through sport	All sports facilities	Multi sport	All	All	Expand and promote Torbay as a specialist venue for a range of events, tournaments and festivals including: triathlons, cycling, running, wild swimming, water sports, outdoor and adventure activities, hockey, rugby, tennis and bowls to benefit local residents and visitors to the area				Improved economy		Torbay Council		
Baywide Strategic	Enhance	G10	Continue to promote and develop partnership working between Torbay Council departments, health agencies, facility operators; schools and colleges; Torbay Local Sports Council, National Governing Bodies of Sport; Active Devon and local sports clubs to expand the range of affordable and accessible opportunities for both residents and visitors to Torbay, plan strategically for sport and share knowledge, expertise and skills.	All sports facilities	Multi sport	All	All	Establish a Key Stakeholder Group (based on that formed for this Strategy) to take the strategy forward within Torbay, This group will meet every 6 months to ensure strategy is moving forward.				Maintaining of strategy	All	Torbay Council		
Baywide Strategic	Enhance	G11	Raise awareness of disability sport in Torbay, and encouraging people with disabilities and reduced mobility to take part in sport and fitness activities.	All sports facilities	Multi sport	All	All	Review of current structure and opportunities for disability sport and fitness in the Bay Establish a Torbay Disability Sports Forum (in partnership with Torbay Sports Council and Roc Active)				Co-ordinated approach to disability sport	All	Torbay Council		
Baywide Strategic	Provide	G12	Ensure that any new sports facilities provided as part of future educational provision in Torbay are, from the outset, designed for curricular, extra-curricular, community and sports development use and made available for community use out of school hours.	All sports facilities	Multi sport	All	All	Statement on this to be included within Local Plan, with appropriate policy if possible so that can be carried through into decisions on development. New school sports facilities thus to have appropriate external lighting, car parking and changing facilities to enable community use.				Improved Facilities	Developers	Planning		
Baywide Strategic	Provide	G13	Ensure all new housing development contributes towards the development and enhancement of sports facilities to meet identified needs, with priority being given to projects identified in this Strategy.	All sports facilities	Multi sport	All	All		Develop costed facility priorities and incorporate these into either the Community Infrastructure Levy or Planning Contributions SPD on a neighbourhood basis.			Continue to provide adequate facilities for population	Developers	Torbay Council		

Baywide Strategic	Provide	<b>G14</b>	Make the most effective use of any existing and new provision by exploring the potential for multi sport use.	All sports facilities	Multi sport	All	All	For example, playing fields can accommodate sports other pitch sports, such as archery, athletics (field events), running, keep fit activities, petanque, volleyball etc		Continue to provide adequate facilities for population	Torbay Council	
<b>Swimming Pools</b>												
Baywide Strategic	Enhance	<b>SP1</b>	Support quality improvements/upgrades at existing swimming pool sites where this would lead to: <ul style="list-style-type: none"> <li>increased community use</li> <li>help achieve financial sustainability.</li> <li>make facilities more attractive to users, in particular young people, women, people with disabilities; and those age groups that will grow significantly in the period to 2021 (i.e. 0-9 and 70+).</li> <li>enable skill development</li> </ul>	Torbay Leisure Centre, Waves Leisure Pool, Admiral Pool and Swim Torquay	Swimming	All	All	Support swimming pool refurbishment at: <ul style="list-style-type: none"> <li>Torbay Leisure Centre</li> <li>Improve ancillary facilities at existing pools: <ul style="list-style-type: none"> <li>Admiral Pool, Brixham – improved storage and car parking</li> </ul> </li> </ul>		Improve the swimming offer	Parkwood	Swim Torquay Admiral Waves
Baywide Strategic	Enhance	<b>S2</b>	Encourage increased community access to existing commercially owned pools,	Hotels	Swimming	All	All	To work with commercial providers, in particular hotels, to explore ways of increasing community use, perhaps through regular meetings e.g. to encourage more commercial providers to put on swimming lessons.		Increase swimming participation	Parkwood	Swim Torquay Admiral Waves
Baywide Strategic	Enhance	<b>SP3</b>	To obtain further detail on throughput of swimming pools to assess capacity in more detail and whether target groups are being met	Torbay Leisure Centre, Waves	Swimming	All	All	Continue to monitor through Service Level Agreements.		Increase swimming participation	Parkwood	Swim Torquay Admiral Waves
Baywide Strategic	Provide	<b>SP5</b>	Progress proposals for the redevelopment of the Torbay Leisure Centre pool.	Torbay Leisure Centre	Multi sport	Torbay Council	Parkwood Leisure	The following should be considered as the minimum requirement as part of the redevelopment proposals for Torbay Leisure Centre. This possible future scenario should be confirmed utilising Sport England's Facilities Planning Model to ensure that existing and future community needs are being met and that the new proposals would not adversely affect the viability of existing community pools in the Bay: <ul style="list-style-type: none"> <li>Provision of a new 25m 8 lane pool with spectator seating (as specified by ASA)</li> <li>Provision of a learner pool minimum size 17m x 8m (to meet minimum requirements as specified by ASA)</li> </ul> Proposals should seek to accommodate other water-based activities e.g. training in sub aqua and canoeing, water polo and synchronised swimming by appropriate facilities such as movable floors and booms and to cater for events such as triathlons (complementing outdoor facilities on site) In addition, undertake further research with the regional ASA and local clubs and partners to ensure delivery of the right specification facility to meet current and future needs <ul style="list-style-type: none"> <li>Plainmoor Pool, Torquay.</li> <li>Torbay Leisure Centre</li> </ul>		Increase swimming participation	Parkwood Leisure	Parkwood/Torbay Council
<b>Tennis, MUGAs and Bowling Greens</b>												
Baywide Strategic	Protect	<b>TB1</b>	Maintain level of provision of tennis courts in Oldway Torbay (Protection of courts covered by G1)	Tennis				Replace 6 non-grass outdoor courts at Oldway. Work with the developer to ensure that the replacement courts meet the LTA's technical specification. At least 3 of these courts to be floodlit. Investigate the establishment of a new tennis club at Oldway, once the replacement courts have been installed.		Maintain tennis provision	LTA	Torbay Council
Baywide Strategic	Enhance	<b>TB2</b>	Promote partnership working between the local authority, private operators, schools, NGB and bowling and tennis clubs with the aims of: <ul style="list-style-type: none"> <li>enhancing court, MUGA and green quality and encouraging greater participation in tennis and bowls and other outdoor court and MUGA activities</li> </ul>	Bowling and Tennis		All	All	Establishment of Tennis, MUGA and Bowls Development Group. To consider in particular: <ul style="list-style-type: none"> <li>Future use and development of courts and MUGAs in Victoria Park</li> <li>Future use and development of courts and MUGAs at Upton Park</li> <li>How to effectively promote MUGAs as part of a range of free, fitness facilities throughout the Bay, which also includes free access tennis courts, cycleways, footpaths, outdoor fitness equipment and table tennis tables, for example</li> </ul>		Increase tennis participation	Private operators, schools, NGB, Bowling clubs, Tennis clubs	Torbay Council
Baywide Strategic	Enhance	<b>TB3</b>	Support quality improvements/upgrades at tennis courts and multi use games areas where this would lead to: <ul style="list-style-type: none"> <li>increased community use</li> <li>help achieve financial sustainability.</li> <li>make facilities more attractive to users, in particular young people, women, people with disabilities; and those age groups that will grow significantly in the period to 2021 (i.e. 0-9 and 70+).</li> <li>enable skill development</li> </ul>	Tennis	All	Torbay Council	All	<ul style="list-style-type: none"> <li>Support proposals for upgrading (resurfacing and deep cleaning of existing courts) where this would enhance the quality of play and skill development. Priority sites: <ul style="list-style-type: none"> <li>St Mary's Park, Brixham (general upgrade of surface, plus nets, fencing etc)</li> <li>Victoria Park, Paignton (relining)</li> <li>Upton Park (general upgrade of surface)</li> <li>Abbey Park (phased programme of upgrading)</li> <li>Cary Park (resurfacing of 3 courts)</li> </ul> </li> </ul>		Increase tennis participation	LTA	Torbay Council
Baywide Strategic	Enhance	<b>TB4</b>	Promote partnership working between the local authority, private operators, schools, NGB and bowling clubs with the aims of: <ul style="list-style-type: none"> <li>sharing expertise and knowledge about bowling greens maintenance to maintain currently high quality of bowling greens</li> <li>raising participation in bowls</li> <li>helping bowling clubs to remain viable</li> <li>utilising facilities and equipment most effectively, especially between clubs which are located in close proximity</li> <li>providing support and assistance to clubs in accessing grant aid.</li> <li>Increasing opportunities for touring bowls clubs</li> </ul>	Bowling and Tennis	All		All	<ul style="list-style-type: none"> <li>(Establishment of Torbay Tennis, MUGAs and Bowls Development Group)</li> <li>Progress Torbay Seafront Sports Hub (including Torquay Bowling Club (private), Abbey Park Bowling Green operator, Victoria Bowling Club &amp; Kings Bowling Club)</li> </ul>		Increase bowling participation	NGBs, Tennis Clubs, Bowls clubs	Torbay Council
Baywide Strategic	Enhance	<b>TB5</b>	Support quality improvements/upgrades at bowling greens where this would lead to: <ul style="list-style-type: none"> <li>increased community use</li> <li>help achieve financial sustainability.</li> <li>make facilities more attractive to users, in particular young people, women, people with disabilities; and those age groups that will grow significantly in the period to 2021 (i.e. 0-9 and 70+).</li> <li>enable skill development</li> </ul>	Bowling Greens	Bowling	All	All	<ul style="list-style-type: none"> <li>Support the provision of improved changing and ancillary facilities, including improvements to car parking and signposting. Priority sites: <ul style="list-style-type: none"> <li>Torquay Bowls Club: relocation of clubhouse and improved car parking</li> </ul> </li> </ul>		Increase bowling participation	Bowling clubs, NGB's	Torbay Council
Baywide Strategic	Enhance	<b>TB6</b>	Consider options for increasing the use of currently free public access courts and raising revenue to Courts pay for their upgrading and ongoing maintenance	Tennis		All	All	<ul style="list-style-type: none"> <li>To roll out the LTA 'key fob' scheme. Courts to be the focus of discussion between Torbay Council and the LTA about sustainable tennis in public parks. This should include the possible introduction of schemes such as 'key fobs' which secure access to public courts for an annual payment and thus contribute to ongoing maintenance.</li> <li>This scheme is currently being considered for roll-out at Cary Park LTC.; other sites in the Bay could also form part of this scheme if courts are of appropriate quality before commencement e.g. Victoria Park, Paignton and St Mary's Park, Brixham?</li> </ul>		Increase junior participation	LTA, Tennis clubs	LTA

Baywide Strategic	Enhance	<b>TB7</b>	Realise potential of tennis courts and bowling greens along Torquay seafront as facilities for both residents and as visitors' attractions.	Tennis	All	All	<ul style="list-style-type: none"> <li>Progress Torquay Seafront Hub site and form partnership of providers and users</li> <li>Phased upgrading of Abbey Park tennis courts</li> <li>In particular, explore partnership working between the operator of Abbey Park tennis courts and Torquay LTC so that initiatives and coaching sessions can complement each other.</li> </ul>	Increase tennis and bowls participation	LTA, park services	Torbay Council
Baywide Strategic	Provide	<b>TB8</b>	Keep under review the provision of indoor courts in Torbay.	Tennis	All	All	<ul style="list-style-type: none"> <li>Should any existing indoor courts be taken out of community use there will be a need to provide additional indoor courts to meet future needs. (Palace Hotel courts now subject to redevelopment proposals).</li> </ul>	Maintain current stock of facilities	Tennis club, TSC	Torbay Council

**Athletics Facilities**

Baywide Strategic	Protect	<b>AT1</b>	To protect, improve and increase the range of Torre track and field event facilities for athletics in Valley North Torbay.	Athletics	Torbay Council	Torbay Council	<ul style="list-style-type: none"> <li>Protect and improve existing facilities on school sites and playing fields</li> <li>Protect and improve running track and field event facilities at Torre Valley North</li> <li>Ensure that new playing field provision incorporates field event facilities (jumps and pits)</li> </ul>	Improve athletics offer	neighbouring authorities, NGB's	Torbay Council
Baywide Strategic	Enhance	<b>AT2</b>	Promote partnership working between the local authority, private operators, schools, NGB and clubs with the aim of enhancing quality of facilities and encourage greater participation	Athletics	Torbay Council	Torbay Council	To establish a Torbay & District Athletics Network, which is required by England Athletics in taking forward proposals for synthetic athletics facilities. To include athletics clubs in Torbay, Teignbridge and South Hams.	Increase athletics participation	Schools, NGB's	Torbay Council
Baywide Strategic	Enhance	<b>AT3</b>	Attempt to enhance existing running routes to increase usage, provide a better and safer road and off-road running experience and help make entry level into running easier. The success of local running networks may increase requirement for safe off road routes.	Athletics	Torbay Council	Torbay Council	<ul style="list-style-type: none"> <li>Wherever appropriate, install lighting of routes; route and distance markers; and the provision of 'drop-in' points in parks and key gathering spaces in conjunction with other sports (e.g. on playing field sites)</li> <li>Promote use of closed road circuit at Clennon Valley as training and recreational resource for road runners and athletes in Torbay</li> </ul>	Increase athletics participation	Highways, clubs, NGB's	Torbay Council
Baywide Strategic	Enhance	<b>AT4</b>	Triathlon and Duathlon Support quality improvements/upgrades to athletics facilities where this would lead to: <ul style="list-style-type: none"> <li>increased community use</li> <li>addition of indoor sprint facility</li> <li>help achieve financial sustainability.</li> <li>make facilities more attractive to users, in particular young people, women, people with disabilities; and those age groups that will grow significantly in the period to 2021 (i.e. 0-9 and 70+).</li> <li>enable skill development</li> </ul>	Churston Ferrers Grammar School	Athletics	Churston Ferrers Grammar School	<ul style="list-style-type: none"> <li>Support provision of a throwing cage at Churston Ferrers Grammar School for use by South Devon Athletics Club;</li> <li>Support improvements/new provision to changing facilities and enlargement of fitness/gym facility at Torre Valley North</li> </ul>	Increase athletics participation	Schools, clubs, NGB's	Churston Ferrers and Athletics Club
Baywide Strategic	Enhance	<b>AT5</b>	Support clubs to have access to appropriate indoor sports halls /courts for training and fitness.	Athletics	All	All	Review availability of sports halls with spare capacity, to accommodate athletics training	Increase athletics participation	Facility providers	
Baywide Strategic	Provide	<b>AT6</b>	To provide a compact athletics facility in tandem with other facility proposals (such as for new artificial grass pitches). Ideally to be co-located with other complementary facilities (e.g. for cycling and swimming), with appropriate ancillary facilities (changing, toilets) Such facilities might comprise: <ul style="list-style-type: none"> <li>integration of tracks and straights with artificial grass pitch developments (minimum of 100m (or 200m) sprint track, 8 lanes wide);</li> <li>mobile sprint straights and 'J' bends; and</li> <li>range of field event facilities</li> </ul>	Athletics	Torbay Council	Torbay Council	<p>It is recognized that the challenge is finding level land which is suitable and safe. Notwithstanding this, the priorities to be:</p> <ul style="list-style-type: none"> <li>to consider in any proposals for the redevelopment of Clennon Valley;</li> <li>at Torre Valley North (subject to maintaining quality and appropriate facilities for cricket, rugby and football at the site)</li> <li>in association with the provision of additional artificial grass pitches in Torbay</li> </ul>	Increase athletics participation	Developers, planning, clubs, NGB's	Torbay Council
Baywide Strategic	Provide	<b>AT7</b>	Based on England Athletics guidelines and assessment for this strategy, the evidence suggests that there is sufficient demand to justify the provision of a synthetic athletics track within, or close to Torbay.	Athletics	All	All	There is a need for further feasibility study/working group within Torbay/Teignbridge/South Hams including local authorities, clubs and the national governing body, to explore and consider the requirements of England Athletics to take further proposals/aspirations for a sustainable synthetic track facility in the South Devon area, serving the Torbay, Teignbridge and South Hams area.	Increase athletics participation	NGB's, neighbouring authorities, clubs	Torbay Council

**Other**

Baywide Strategic	Provide	<b>SF1</b>	To try to protect existing provision and space within sports halls which meet the need of sports requiring specialist facilities and/or equipment	Sports Halls Archery	All	All	<p>In particular :</p> <ul style="list-style-type: none"> <li>To maintain existing opportunities for Archery</li> <li>To enable sports halls to accommodate a range of activities.</li> </ul>	Increase archery participation	Facility providers, schools	Torbay Council
Baywide Strategic	Provide	<b>SF2</b>	To provide archery specific, safe and sustainable facilities – both outdoor and indoor – for competition and training	Archery			<p>Try to protect existing use of playing fields and school sports facilities</p> <ul style="list-style-type: none"> <li>Establish permanent indoor venue meeting NGB requirements (16m x 38m; min height 3.5m). Possible sites:</li> <li>Parkfield</li> <li>Torbay Leisure Centre</li> <li>Bespoke new facility</li> <li>Outdoor – permanent site at Clennon Valley</li> </ul> <p>Ideally within a multi sport facility, in the Paignton/Brixham area</p>	Increase archery participation	NGB, Clubs	Torbay Council
Baywide Strategic	Provide	<b>SF3</b>	To consider the provision of a landmark boxing facility in Torbay.	Boxing			<p>Possible sites include:</p> <ul style="list-style-type: none"> <li>Torbay Leisure Centre</li> </ul> <p>Possible site: Torbay Leisure Centre / Clennon Valley</p>	Increase boxing participation	NGB, Clubs	Torbay Council
Baywide Strategic	Provide	<b>SF4</b>	To support the provision of a multi-discipline dedicated facility for gymnastics in Torbay, capable of accommodating the range of disciplines – trampolining, vaults, tumbling, acrobatics – with a pit and other equipment. Such a facility to be able to: <ul style="list-style-type: none"> <li>host competitions at county level with adequate changing, viewing/seating and car parking facilities</li> <li>be capable of providing opportunities for minority groups in the sport, particularly teenage boys, adults and people with disabilities</li> </ul>	Gymnastics				Increase gymnastics participation	Schools, clubs	Torbay Council
Baywide Strategic	Provide	<b>SF5</b>	To attempt to provide upgraded facilities for shooting within Torbay (Paignton Rifle and Pistol Club)	Shooting			In any redevelopment of Clennon Valley/Torbay Leisure Centre, ensure that replacement provision of an equal and appropriate standard is delivered, subject to evidence of need provided by the club and the national governing body.	Increase shooting opportunities	Club, NGB	Torbay Council

Baywide Strategic	Protect	SF6	Work towards and maintain current number and location of courts for squash within Torbay, including the current ratio of glass courts, to meet existing and future demand.	Squash				Protect existing courts at Brixham Sports Centre (2 courts) and 4 courts at Torbay Leisure Centre. Any existing indoor courts that are to be taken out of community use will therefore need to provide additional indoor courts to meet future needs. (Palace Hotel and Torquay Squash Club (5 courts) courts now subject to redevelopment proposals).	Current number of courts necessary to meet identified existing, latent and future demand – 2 in Brixham, 4 in Paignton and 5 in Torquay.(however Torquay Squash Club is now due for redevelopment proposals); need to identify further courts.	Maintain current squash stock	NGB's, clubs, providers	Torbay Council		
				All	All									
<b>Water Sports</b>														
Baywide Strategic	Protect	WS1	To protect all existing access points to the water	Access points	Water Sports	All	All				Harbours, Sea Torbay	Harbours		
Baywide Strategic	Enhance	W2	Partnership: Promote further partnership working and a co-ordinated approach between the range of providers and operators within Torbay (including Torbay Council) with the aim of developing resources and facilities to support the expansion of water sports provision.		Water Sports			<ul style="list-style-type: none"> <li>To establish links with SeaTorbay – possibly a Water Sports Forum/sub-group – to share information and to progress the priorities and action points outlined in this Strategy</li> <li>This Forum to work in partnership with SeaTorbay to progress the development of water sports within the framework provided by the Torbay Coastal Management Plan</li> <li>This Strategy to be integrated with the recommendations from the 'Turning the Tide' tourism strategy for Torbay, aimed at attracting and retaining visitors and tourists to Torbay.</li> </ul>	To progress in partnership recommendations for the development of maritime activity as set out in 'Turning the Tide for Tourism in Torbay: Strategy 2010 – 2015' • The provision of a 'one stop shop' marine spatial map and central information hub to bring together information, rules and regulations, safety information and information on maritime leisure activities in Torbay embracing all different providers	Co-ordinated approach to water sports	Providers and operators	Torbay Council		
Baywide Strategic	Enhance	W3	To Increase capacity for water sports and accessibility to the water through improving shore and beach based facilities including car parking, storage, changing and shower facilities, chandlery supplies etc	Ancillary facilities	Water Sports	All	All		<p>Improvements in car parking</p> <ul style="list-style-type: none"> <li>Possible sites: Brixham breakwater, Brixham Harbour, Meadfoot Beach</li> </ul> <p>Improvements in storage</p> <ul style="list-style-type: none"> <li>Possible sites: Babbacombe, Torquay, Paignton and Brixham Harbours.</li> </ul> <ul style="list-style-type: none"> <li>To provide sufficient boat storage and parking for a range of sea craft especially small boats and boats kept ashore and to ensure that storage facilities are appropriate to cater for and support training in water sports.</li> </ul> <p>Improvements in changing and shower facilities</p> <ul style="list-style-type: none"> <li>Possible sites: Broadsands, Paignton Harbour, Meadfoot, Oddicombe</li> </ul> <ul style="list-style-type: none"> <li>To investigate the potential for leasing on-shore facilities (storage and changing) to clubs who have expressed this aspiration.</li> <li>To ensure facilities such as compressors and divers air for sub aqua are located in easily accessible locations and advertised to visiting users.</li> </ul>	Improved shore and beach facilities	Harbours, Car parks, Beaches, Clubs	Torbay Council		
Baywide Strategic	Enhance	W4	Access to the water: To support adequate and appropriate launching and slipway facilities for sea kayaks and other craft.	Access points	Water Sports				<p>Improvements in slipways etc</p> <ul style="list-style-type: none"> <li>Possible sites: Goodrington, Broadsands, Paignton Beach,</li> <li>To consider how paddlesports can be accommodated in Torbay, away from the harbour areas.</li> </ul>	Increase water sports opportunities	harbours	Harbours		
Baywide Strategic	Enhance	W5	Club development: To support club improvement projects where demand has been identified, including enhanced clubhouses, changing rooms, boat storage extension or refurbishment, and slipway/pontoon development so that club members have comfortable, state of the art places to train.	All	Club development	All	All			Possible sites: Broadsands	<ul style="list-style-type: none"> <li>Development of facilities to support South Devon College Watersports Centre in Torbay</li> </ul>	Good quality sports clubs	Active Devon, Clubs, NGBS, South Devon College	South Devon College
Baywide Strategic	Enhance	W6	Club Development: To encourage and support more water sports clubs to become Club Marked, thus assisting their potential for obtaining grants to improve facilities and obtain new equipment.		Club development		Clubs	For example:	To highlight Paignton Rowing Club as a 'example of good practice' and disseminate its initiatives in developing links with schools and juniors to other water sports clubs in Torbay.	Good quality sports clubs	Clubs, NGBS, Active Devon	clubs		
Baywide Strategic	Enhance	W7	Club Development/Participation/Disabilities: To support the provision of facilities and access points which will enable access and participation in water		Club development	All	All		To promote more actively the work of Sailability which provides sailing opportunities for people with disabilities.	Increase disabled opportunities	Clubs, NGBS, Active Devon	Clubs		
Baywide Strategic	Enhance	W8	To ensure that existing indoor wet and dry facilities can cater for training needs of, e.g. canoeing (swimming pools) and rowing (fitness facilities).	Indoor training			All	All						
Baywide Strategic	Provide	W9	To provide new and enhanced facilities to support the expansion/introduction of activities and the holding of events:	Event facility			All	All	To support provision of dinghy sailing centre within the Bay	Increase sports tourism	Clubs, NGBS, Active Devon	Harbours		
Baywide Strategic	Provide	W10	To develop a Watersports Centre for full community access and the development of excellence in partnership with clubs and e.g. South Devon College in a central location – hub for watersports activity	Watersports Centre of Excellence	Water Sports	All	All	Priority Location: Broadsands, due to sheltered location and accessibility from throughout the Bay.	To provide facilities capable of staging and supporting international sailing events. To investigate why there are no water-skiing or windsurfing clubs in Torbay and to consider what facilities/support may needed to develop these . • To investigate the provision of beach volleyball and football courts at a seafront location in Torbay (Goodrington). • To ensure that appropriate on-site facilities exist to support events such as open water swimming in addition to the provision of a large multi-use slipway at a central location – potentially either Goodrington or Broadsands – smaller slipways are required at key points around the Bay	Watersports Centres of Excellence	South Devon College	Torbay Council		
<b>Outdoor</b>														
Baywide Strategic	Enhance	OA1	Further consideration to be given to longer term aspiration for development of Parkfield – or alternative identified site - as training base for water, outdoor and adventure sports for young people. (Sports Hub Site P4)	Parkfield	Water Sports		Torbay Council		Variety of measures to include: <ul style="list-style-type: none"> <li>To act as hub for training for young people in water, outdoor and adventure sports, linking with on-shore facilities at Paignton, Goodrington and Broadsands and with Grenville Outdoor Education Centre in Brixham</li> <li>Improve accessibility to the climbing wall so that it can be accessed without going through the sports hall</li> <li>Support the newly formed BMX club based at Parkfield, so that the competition standard track can develop further and cater for regional events</li> <li>Improve storage for water based craft and equipment</li> </ul>	Water sports hub site	TDA, Torbay Council, NGB's, Clubs	TDA
