The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit process. It is not a comprehensive record of all the relevant matters, which may be subject to change, and in particular we cannot be held responsible to you for reporting all of the risks which may affect the Council or any weaknesses in your internal controls. This report has been prepared solely for your benefit and should not be quoted in whole or in part without our prior written consent. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

### Developments relevant to your business and the audit

In planning our audit we also consider the impact of key developments in the sector and take account of national audit requirements as set out in the Code of Audit Practice ('the code') and associated guidance.

### **Developments and other requirements**

#### 1.Financial reporting

- Changes to the CIPFA Code of Practice
- · Changes to the recognition of school land and buildings on local authority balance sheets
- Adoption of new group accounting standards (IFRS 10,11 and 12)

#### 2. Legislation

- Local Government Finance settlement
- Care Act

#### 3. Corporate governance

- Annual Governance Statement (AGS)
- Explanatory foreword

#### 4. Better Care Fund

 Better Care Fund (BCF) plans and the associated pooled budgets will be operational from 1 April 2015

#### 5. Financial Pressures

- Managing service provision with less resource
- Progress against savings

#### 6. Other requirements

- . The Council is required to submit a Whole of Government accounts pack on which we provide an audit opinion
- The Council completes grant claims and returns on which audit certification is required

### Our response

#### We will ensure that

- the Council complies with the requirements of the CIPFA Code of Practice through discussions with management and our substantive testing
- · schools are accounted for correctly and in line with the latest guidance
- · the group boundary is recognised in accordance with the Code and joint arrangements are accounted for correctly
- We will discuss the impact of the legislative changes with the Council through our regular meetings with senior management and those charged with governance, providing a view where appropriate
- · We will review the arrangements the Council has in place for the production of the AGS
- · We will review the AGS and the explanatory foreword to consider whether they are consistent with our knowledge
- We will consider whether the BCF is a risk in the context of our VfM conclusion and will carry out further work if required
- against the savings plan We will undertake a review of Financial Resilience as

part of our VfM conclusion

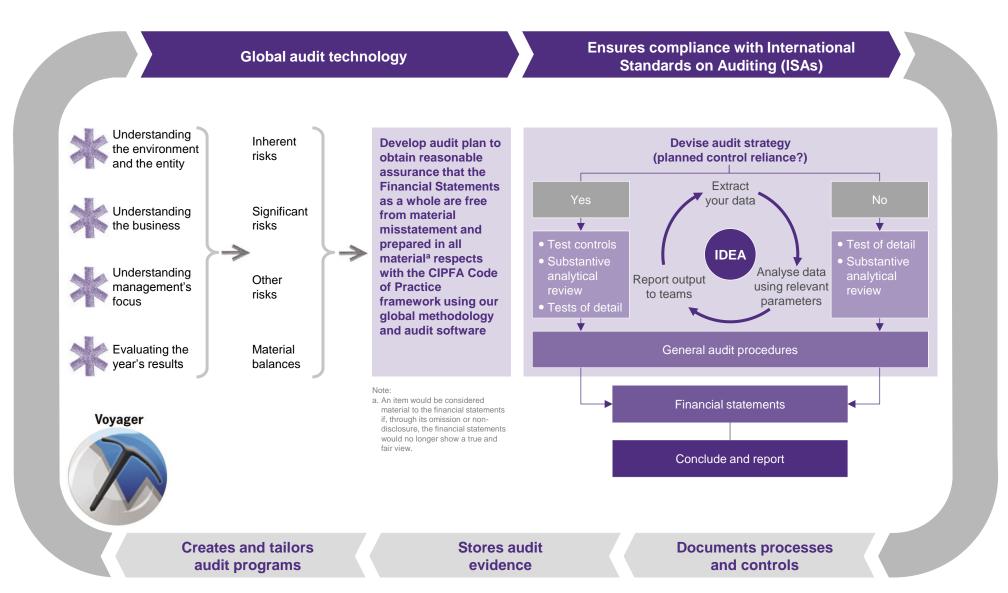

· We will review the Council's

performance against the

2014/15 budget, including

- consideration of performance
- We will carry out work on the WGA pack in accordance with requirements
  - We will certify the housing benefit subsidy claim in accordance with the requirements specified by the Audit Commission. Public Sector Audit Appointments Ltd will take over the Audit Commission's responsibilities for housing benefit grant certification from 1 April 2015.

### Our audit approach

### Significant risks identified

'Significant risks often relate to significant non-routine transactions and judgmental matters. Non-routine transactions are transactions that are unusual, either due to size or nature, and that therefore occur infrequently. Judgmental matters may include the development of accounting estimates for which there is significant measurement uncertainty' (ISA 315).

In this section we outline the significant risks of material misstatement which we have identified. There are two presumed significant risks which are applicable to all audits under auditing standards (International Standards on Auditing – ISAs) which are listed below:

Significant risk	Description	Substantive audit procedures
The revenue cycle includes fraudulent transactions	Under ISA 240 there is a presumed risk that revenue may be misstated due to the improper recognition of revenue.  This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to revenue recognition.	Having considered the risk factors set out in ISA240 and the nature of the revenue streams at Torbay Council, we have determined that the risk of fraud arising from revenue recognition can be rebutted, because:  • there is little incentive to manipulate revenue recognition • opportunities to manipulate revenue recognition are very limited • the culture and ethical frameworks of local authorities, including Torbay Council, mean that all forms of fraud are seen as unacceptable.
Management over-ride of controls	Under ISA 240 the presumption that the risk of management over-ride of controls is present in all entities.	Work completed to date:  Testing of journal entries  Review of unusual significant transactions  Further work planned:  Review of accounting estimates, judgments and decisions made by management  Testing of journal entries  Review of unusual significant transactions

### Other risks identified

The auditor should evaluate the design and determine the implementation of the entity's controls, including relevant control activities, over those risks for which, in the auditor's judgment, it is not possible or practicable to reduce the risks of material misstatement at the assertion level to an acceptably low level with audit evidence obtained only from substantive procedures (ISA 315).

In this section we outline the other risks of material misstatement which we have identified as a result of our planning.

Other risks	Description	Audit Approach
Operating expenses	Creditors understated or not recorded in the correct period (Operating expenses understated)	<ul> <li>Work completed to date:</li> <li>Review of system documentation and walkthrough of transaction</li> <li>Substantively tested a sample of operating expenses</li> <li>Further work planned:</li> <li>Substantively test a sample of expense transactions in month 12, and year end adjustments/reconciliations.</li> <li>Testing for unrecorded liabilities by review of post year end payments and review of goods received not invoiced notes at year-end.</li> <li>Review of estimates, judgements and decisions made by management for unusual and large accruals.</li> </ul>
Employee remuneration	Employee remuneration, benefit obligations and expenses understated (Remuneration expenses not correct)	<ul> <li>Work completed to date:</li> <li>Review of system documentation and walkthrough of transaction</li> <li>Substantively tested a sample of remuneration transactions</li> <li>Further work planned:</li> <li>Substantively test a sample of remuneration transactions in months 11 and 12 to underlying evidence</li> <li>Analytical procedures over the payroll figures throughout the year to ensure that they are reasonable and complete.</li> <li>Review the year end reconciliation of the payroll system to the HMRC return and the ledger</li> </ul>

### Value for money

### **Value for money**

The Code requires us to issue a conclusion on whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

Our VfM conclusion is based on the following criteria specified by the Audit Commission:

VfM criteria	Focus of the criteria
The organisation has proper arrangements in place for securing financial resilience	The organisation has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future
The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness	The organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity

As in 2013/14, the financial resilience of the Council will form the focus of our work.

We will look at the key indicators of the Council's financial performance and update our reviews of strategic financial planning, financial governance and financial control using our 2013/14 assessment as the baseline.

The results of our VfM audit work and the key messages arising will be reported in our Audit Findings report and in the Annual Audit Letter.

### Results of interim audit work

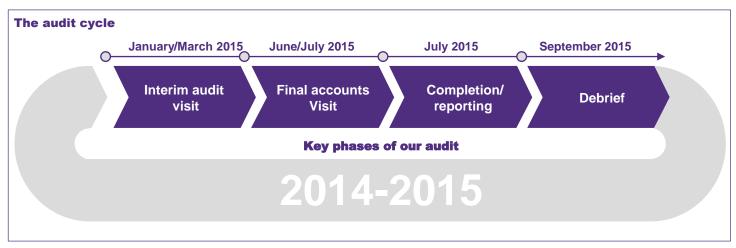

The findings of our interim audit work, and the impact of our findings on the accounts audit approach, are summarised in the table below:

	Work performed and findings	Conclusion
Internal audit	We have completed a high level review of internal audit's overall arrangements. Our work has not identified any issues which we wish to bring to your attention.  We also reviewed internal audit's work on the Council's key financial systems to date. We have not identified any significant weaknesses impacting on our responsibilities.	Overall, we have concluded that the internal audit service continues to provide an independent and satisfactory service to the Council and that internal audit work contributes to an effective internal control environment at the Council.  Our review of internal audit work has not identified any weaknesses which impact on our audit approach.
Walkthrough testing	We have completed walkthrough tests of controls operating in areas where we consider that there is a risk of material misstatement to the financial statements.  Our work has not identified any issues which we wish to bring to your attention. Internal controls have been implemented in accordance with our documented understanding.	Our work has not identified any weaknesses which impact on our audit approach.
Entity level controls	We have obtained an understanding of the overall control environment relevant to the preparation of the financial statements including:  Communication and enforcement of integrity and ethical values  Commitment to competence  Participation by those charged with governance  Management's philosophy and operating style  Organisational structure  Assignment of authority and responsibility  Human resource policies and practices	Our work has identified no material weaknesses which are likely to adversely impact on the Council's financial statements

## Results of interim audit work (cont'd)

	Work performed	Conclusion
Review of information technology controls	Our information systems specialist will be performing a high level review of the general IT control environment, as part of the overall review of the internal controls system. We will also perform a follow up of the issues that were raised last year.	We have yet to conclude our review and will report the results to management and summarise any issues for those charged with governance before the financial statements are approved.
Journal entry controls	We have reviewed the Council's journal entry policies and procedures as part of determining our journal entry testing strategy and have not identified any material weaknesses which are likely to adversely impact on the Council's control environment or financial statements.  To date we have undertaken detailed testing on journal transactions recorded for the first eleven months of the financial year, by extracting 'unusual' entries for further review.  We identified that the Section 151 officer has the ability to create, but not approve, journals on the ledger. There have not been any journals created by the Section 151 officer in the first eleven months of the year.	We will undertake further testing of journal entries as part of our final accounts audit fieldwork.  We will report to management any issues we find during he course of our audit and summarise them in our report to those charged with governance, before the financial statements are approved.  We have made a recommendation that the Section 151 officer should not have the ability to create journals.
Early substantive testing	We have tested a sample of employees to confirm they have valid appointment documentation and are being paid at the appropriate scale.  We have tested a sample of operating expenses to confirm that they are supported by appropriate documentation.	This work will be concluded during the final accounts audit.  We have no issues to bring to your attention from the testing carried out to date.

### Key dates

Date	Activity	
January 2015	Planning	
12 January & 23 February 2015	Interim site visit	
18 March 2015	Presentation of audit plan to Audit Committee	
15 June 2015	Year end fieldwork	
July 2015	Audit findings clearance meeting with Section 151 officer	
29 July 2015	Report audit findings to those charged with governance (Audit Committee)	
August 2015	Sign financial statements opinion	

### Fees and independence

#### **Fees**

	£
Council audit	136,070*
Grant certification	12,840
Total fees (excluding VAT)	148,910

\* In 2013/14, the Audit Commission increased the audit fee for all unitary councils by £1,070 to reflect the additional work required on material business rates balances as auditors were no longer required to carry out work to certify the NNDR3 returns. The Audit Commission has included this additional amount in all audit fees for 2014/15.

### Our fee assumptions include:

- Supporting schedules to all figures in the accounts are supplied by the agreed dates and in accordance with the agreed upon information request list
- The scope of the audit, and the Council and its activities, have not changed significantly
- The Council will make available management and accounting staff to help us locate information and to provide explanations

#### **Grant certification**

- Our fees for grant certification cover only housing benefit subsidy certification, which falls under the remit of Public Sector Audit Appointments Limited, as the successor to the Audit Commission in this area.
- Fees in respect of other grant work, such as reasonable assurance reports, are shown under 'Fees for other services.'

#### Fees for other services

Service	Fees £
None	Nil

#### Fees for other services

Fees for other services reflect those agreed at the time of issuing our Audit Plan. Any changes will be reported in our Audit Findings Report and Annual Audit Letter.

### **Independence and ethics**

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Auditing Practices Board's Ethical Standards and therefore we confirm that we are independent and are able to express an objective opinion on the financial statements.

Full details of all fees charged for audit and non-audit services will be included in our Audit Findings report at the conclusion of the audit.

We confirm that we have implemented policies and procedures to meet the requirement of the Auditing Practices Board's Ethical Standards.

### Communication of audit matters with those charged with governance

International Standards on Auditing (ISA) 260, as well as other ISAs, prescribe matters which we are required to communicate with those charged with governance, and which we set out in the table opposite.

This document, The Audit Plan, outlines our audit strategy and plan to deliver the audit, while The Audit Findings will be issued prior to approval of the financial statements and will present key issues and other matters arising from the audit, together with an explanation as to how these have been resolved.

We will communicate any adverse or unexpected findings affecting the audit on a timely basis, either informally or via a report to the Council.

### **Respective responsibilities**

This plan has been prepared in the context of the Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission (<a href="www.audit-commission.gov.uk">www.audit-commission.gov.uk</a>).

We have been appointed as the Council's independent external auditors by the Audit Commission, the body responsible for appointing external auditors to local public bodies in England. As external auditors, we have a broad remit covering finance and governance matters.

Our annual work programme is set in accordance with the Code of Audit Practice ('the Code') issued by the Audit Commission and includes nationally prescribed and locally determined work. Our work considers the Council's key risks when reaching our conclusions under the Code.

It is the responsibility of the Council to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the Council is fulfilling these responsibilities.

Our communication plan	Audit plan	Audit findings
Respective responsibilities of auditor and management/those charged with governance	✓	
Overview of the planned scope and timing of the audit. Form, timing and expected general content of communications	✓	
Views about the qualitative aspects of the entity's accounting and financial reporting practices, significant matters and issue arising during the audit and written representations that have been sought		✓
Confirmation of independence and objectivity	✓	✓
A statement that we have complied with relevant ethical requirements regarding independence, relationships and other matters which might be thought to bear on independence.	<b>✓</b>	✓
Details of non-audit work performed by Grant Thornton UK LLP and network firms, together with fees charged.		
Details of safeguards applied to threats to independence		
Material weaknesses in internal control identified during the audit		✓
Identification or suspicion of fraud involving management and/or others which results in material misstatement of the financial statements		<b>✓</b>
Non compliance with laws and regulations		✓
Expected modifications to the auditor's report, or emphasis of matter		✓
Uncorrected misstatements		✓
Significant matters arising in connection with related parties		✓
Significant matters in relation to going concern		✓
