<u>Initial Proposal: Governance Structure of Torbay D&SVA Offer – for comment</u>

Strategic Commissioning Constraints

Public Services Trust DA work stream

Working alongside TDAS, so they
can be a specialist resource
available to agencies in Torbay to
give advice/support (eg) GPs,
health colleagues etc

Health and Wellbeing Board

OPTIONS

Multi-agency Expert
Group for D&SVA

Task and Finish

Prevention

- Agree universal campaigns:
 - Multi-agency
 - Multi-media
 - Social-media
- PHSE Schools Advice and provision of lesson ideas
- Agree a comprehensive
 D&SVA dataset
 to inform work and
 innovation going forward

Timely Identification and Support

Work to support screening for D&SVA within existing services:

Task and

Finish

- Reinforce statutory routine enquiry (RE) in
 HV and Midwifery, and support
 staff/managers to deliver this confidently
- CAHMS transformation plan in schools link with Young Devon via CCG
- Primary Care IRIS style Pilot to increase RE
- Pilot for routine enquiry in hospital departments (eg) day surgery
- WaW Network and D&SVA HR policy
- Work with CVS to support non-acute presentations and interventions
- Work with commissioners across the piece to embed DVA enquiry in core business

Susceptibility to Violence

Consider ACE model

- Universal Screening
- Targeted Screening

Consider how to implement preventative programmes and interventions in schools/ community/other venues

Professional Practice Constraints

Torbay Safeguarding Adults Board

Torbay Safeguarding Children Board

Stronger Communities Board

Single Profession Guidance on D&SVA

Role to strengthen and embed D&SVA within universal and CVS services, and to work with survivors and stakeholders around:

- HNA and refreshed DVA strategy 2016
- A unique Torbay DVA branding
- DVA resources (eg) leaflets and posters
- Oversee and expand Torbay DVA website: areyouok.co.uk
- Maintain a DVA champions' group across public services – for front line staff and HR
- Level 1 DVA e-training work to make mandatory for staff across Torbay
- Levels 2 and 3 training resolve issues
- DVA communication plan shared across agencies
- Present DVA tutorials to professionals in Torbay
- Ensure SV is embedded in DVA and that pathways are understood
- Consider DVA Event for Torbay
- Keep up to date with DVA evidence
- Propose innovation through multiagency governance structures including Hospital IDVA model
