Improving the quality of care homes provision in Torbay

Decision Taker

Mayor on 06 December 2016

Decision

That the Overview and Scrutiny Board be requested to work with Healthwatch, care home providers and carers to develop a residents charter, using Care Quality Commission information on standards and other information to identify what good care homes should be like in Torbay for approval at future Policy Development and Decision Group (Joint Commissioning Team).

Reason for the Decision

To advise members of the annual Market Position Statement which analyses supply of residential and nursing homes, against demand for care and the vision for integrated care in community settings rather than hospital beds.
