Subject: Premises– Licensing Act 2003
**Premises Name & Address: New premises licence application for
Coco, King Street, Brixham, TQ5 9TF**

Dear Gary

I wish to make representation under the licensing objective 'The Prevention of Public Nuisance'.

Coco currently has a premises licence (number 1052) granting the sale of Alcohol until 11:00pm, 7 days a week. The premises also benefits from the Live Music Act 2012 and can host performances of live and recorded music from 8:00am till 11:00pm

This application seeks to increase times for recorded music only and the sale of alcohol by 2 hours Friday - Sunday and by 1 hours on other nights.

In making the application the applicant complied with Torbay Councils Licensing Statement of Principles and duly consulted with relevant responsible Authorities. The applicant has agreed to a range of licensing conditions which serve to prevent public nuisance but also when viewed in conjunction with a substantial upgrade to noise insulation in the building the proposed application will not undermine the licensing objections.

However I note the concerns raised by residents and will continue to work with the applicant until the application is heard to identify any further measures deemed appropriate to mitigate concerns raised by residents.

In view of this I am not objecting to the application as such, but on the basis Members are required to consider the merits of an application and therefore may have technical questions to ask this representation allows me to present at the hearing and ensures that measures discussed are incorporated on any licence that is deemed to be granted.

Mr Karl Martin
Public Protection Officer
