To the Licensing Officer, Torbay.

Dear Sir,

I am writing in connection with the recent objection for SPH Retail's application for a premises license for 92 Belgrave Road Torquay Devon TQ2 5HZ that they intend to develop into a Premier Store.

I work for Booker Wholesale who own the Premier symbol group. My role and that of my team is to develop Premier stores to be real hubs of the community and offer the services a modern retailer needs in order to be successful.

As a company we have worked very closely with SPH Retail whilst they have developed their portfolio of retail outlets and it would be appreciated if you would consider the following points whilst making your decision.

1. SPH is a top class retailer. The team are well trained and at all times adhere to all licensing and food safety legislation. SPH owns and operates three other Premier Stores in the South West and these in our experience have always been managed and operated to a very high standard. The SPH management team are highly experienced in all areas of convenience retailing.
2. I am sure SPH will develop a new business which will offer a number of vital services to the local community. These will include: Hot and cold food to go, Paypoint, extremely competitive grocery, fresh fruit and veg, bread, cakes, bakery, national lottery, vaping solutions, great promotions, and of course a comprehensive convenience retail range.

As a company we assist retailers to create a Premier Store which is clean, well lit, is compliant with all legislation but most importantly offers the local community what they need. Steve and his team demand extremely high standards and have a strong track record of this. A visit to any of their stores demonstrates how seriously they take their commitments.

If the fears of any local people are that this store would be similar to old fashioned poorly run off licenses I can quite categorically state that the Booker group will not develop that sort of store. A premises license would allow SPH Retail Ltd to offer wines, spirits and beers as part of a raft of other services which when added together give the local community a great store which will significantly enhance the area.

If at any stage you would like to discuss my comments further please don't hesitate to contact me via e-mail or telephone. My contact details are below

Kind Regards
