## **1. Proposal and Introduction**

- 1.1 The Council is required to determine its Tax Base for Council Tax purposes for 2018/19 during the period 1 December 2017 to 31 January 2018 and the level of Council Tax subsequently set must use this base figure. A Tax Base calculation is provided in Appendix 1 for an appropriate decision to be made.
- 1.2 The Council, as a billing authority, is required to calculate a separate Tax Base for the Brixham Town Council area. A Tax Base calculation for the area is provided in Appendix 2 for an appropriate decision to be made.

## **2. Proposed Decision**

- 2.1 **That the calculation of the Council Tax Base for the year 2018/19 be approved as shown in Appendix 1 to the submitted report.**
- 2.2 **That the calculation of the Brixham Town Council Tax Base for the year 2018/19 be approved as shown in Appendix 2 to the submitted report.**
- 2.2 **That the creation of an additional class of local discretionary council tax discount of up to 100% for care leavers, (that were in care in the Torbay area), up to 25 years of age with effect from 1 April 2018 be approved; and that the policy for the eligibility criteria for the scheme is delegated to Head of Finance, in consultation with the Elected Mayor.**
- 2.3 **That the Head of Finance, in consultation with the Elected Mayor, be given delegated authority to approve an increase in empty homes premium from 50% to 100% (subject to legislation being passed) with effect from 1 April 2018.**

- 2.4 That, in accordance with the Local Authorities (Calculation of Tax base) (England) Regulations 2012, the amount calculated by Torbay Council as its Council Tax base for the year 2018/19 should be 44,865.89. (Dependant on approval of 2.1).**
- 2.5 That, in accordance with the Local Authorities (Calculation of Tax base) (England) Regulations 2012, the amount calculated by Torbay Council as the Council Tax base for Brixham Town Council for the year 2018/19 should be 6,004.42. (Dependant on approval of 2.2).**
- 3. Reason for Decision**
- 3.1 The calculation of the Council Tax Base for both Torbay and Brixham Town Council is a statutory requirement in the budget setting process.

## **Supporting Information**

### **4. Position**

#### **A1. Taxbase**

- A1.1 The Council is required by the 31<sup>st</sup> January to establish a base figure for the purpose of setting the level of Council Tax each year – the “Tax Base”. The calculation of this figure is prescribed by the Local Authorities (Calculation of Tax Base) (England) Regulations 2012.
- A1.2 The Regulations require this calculation to be made between 1<sup>st</sup> December 2017 and 31<sup>st</sup> January 2018 and for this figure to be notified to precepting authorities by the 31<sup>st</sup> January 2018. For the year commencing 1<sup>st</sup> April 2018 these will be the major precepting authorities of Police and Crime Commissioner for Devon and Cornwall, Devon and Somerset Fire and Rescue Authority and as a local precepting authority, Brixham Town Council.
- A1.3 Torbay Council, together with Police and Crime Commissioner for Devon and Cornwall, Devon and Somerset Fire and Rescue Authority and Brixham Town Council are required to use the tax base calculated by Torbay Council, as the billing authority, to determine their basic amounts of Council Tax for 2018/19.
- A1.4 The calculation of the tax base is prescribed by statute. It reflects the aggregate of the “relevant amounts” for each valuation band (including the impact from Council Tax Support Scheme) multiplied by the anticipated collection rate for the year. The calculation for the Council’s tax base is shown in Appendix 1 and the calculation for Brixham Town Council is shown in Appendix 2.
- A1.5 The calculation of the relevant amount begins with the actual number of dwellings on the “relevant date”. For 2018/19 this is the 30<sup>th</sup> November 2017 and this is the date that must be used. This number is adjusted to make allowance for estimated variations to the list in the course of the year and for the impact of allowed discounts to certain classes of dwellings.

- A1.6 The impact of the Council Tax Support Scheme including the impact of the exceptional hardship scheme, which is linked to claimants, is converted to an equivalent number of dwellings per band by dividing the estimated cost per band of the reductions divided by the estimated Council Tax for that band.
- A1.7 These are then converted into Band “D” equivalents to produce the “relevant” amounts prescribed by the Regulations.
- A1.8 The billing authority then estimates its Council Tax Collection Rate, which is the percentage of 2018/19 Council Tax demands which it predicts will be paid into the Collection Fund during 2018/19. The in year Collection rate estimated for 2018/19 is 96.0% and this is reflected in the Tax Base calculation. Any tax collected in excess of 96.0% for the billing year 2018/19 and prior years will be reflected in the annual Collection Fund surplus.
- A1.9 The calculated Council's tax base for 2018/19 of 44,865.89 compares with the 2017/18 tax base of 44,049.22 a 1.9% increase. This increase reflects the growth in the number of properties, which may be either new build or older properties, adapted and brought back in to use offset by the number of dwellings subject to an exemption, discount or a reduction and the impact of the Council Tax Support Scheme.
- A1.10 For the calculation of the council tax due to Brixham Town Council a Tax Base must be determined by Torbay Council, as the billing authority. The tax base for Brixham Town Council is and the calculation is shown in Appendix 2.
- A1.11 The calculated Brixham Town Council's tax base for 2018/19 of 6,004.42 compares with the 2017/18 tax base of 5,900.83 a 1.8% increase.

## **A2 Technical Adjustments**

- A2.1 Within the taxbase calculation there are a number of exemptions and discounts for certain categories of dwellings. Some of these are set by central government and some the Council has discretion over. Separate to the Council Tax Support Scheme there are 2 changes proposed for 2018/19.
- (i) The creation of an additional class of local discretionary council tax discount, of up to 100% for care leavers (that were in care in the Torbay area), up to 25 years of age with effect from 1<sup>st</sup> April 2018. This recommendation is linked to the Council's decision on 2<sup>nd</sup> February 2017 to support a motion to exempt all care leavers from Council Tax. Further details on the issue are included in Appendix Three.
  - (ii) The Autumn Budget in November 2017, as part of a wide range of housing proposals, announced the intention to enable Councils to increase the Council Tax Empty Homes Premium from 50% to 100%. It is recommended that this is approved with effect from 1<sup>st</sup> April 2018. There are approximately 300 dwellings currently within the 50% premium that will be impacted by this change. This recommendation is subject to the required legislation being passed. As a result any financial implication of this change has not been included in the taxbase 2018/19 calculation.

### **3. Possibilities and Options**

3.1 None – calculation of taxbase is based on statute.

### **4. Fair Decision Making**

4.1 Not applicable

### **5. Public Services (Social Value) Act 2012**

5.1 Not applicable

### **6. Risks**

6.1 If taxbase not approved by end of January 2018 then the Council is unable to set a budget and this will impact on other precepting bodies.
