

TORRENT COUNCIL
23 DEC 2011
LICENSING SECT

Dear Sir / Madame
I am writing
because I have an
objection to the
Application for a
Premises License by
Yorby Beer Delivery
LTD, for late night
refreshments from 23:00 -
05:00 hours Monday -
Sunday and for the
sale of alcohol off the
premises from 00:00 - 24:00
Monday - Sunday at
OFFICE 5, DAINTON SELF -
STORAGE YARD, TORRE STATION

P.T.O

YARD. TORQUAY, TQ2 5DD.

I think this could cause problems with traffic, noise and un-social behaviour, it is off the main road and out of site, but close to and behind residential properties, there is a small grass path, behind the Rones next to the railway lines, the bed and breakfast places opposite us are small, friendly and quite, I feel this licence will change the character of the immediate area, the other businesses nearby the car Wash, the car cosmeticians and do not open after 18.00

or 19:00 hrs, the
storage yard itself has
no noise or busy
traffic and you are not
disturbed by it. I should
not believe it is in
keeping with the rest
of the area, to have
somewhere that is
selling alcohol and
serving refreshments all
night and early morning.
This would be suitable
for the town centre
or out of town but not
near homes, especially
out of sight at the
rear of properties.

I ask you to please
consider the potential
side effects of allowing

P.T.O.

This to go ahead.
Lynns steady.

23/12/11.
