21-8-2012

ORDER No 4. 2012

NO WAITING ZONE 8-6pm.

Dear sir / madam,

I would like to object to the proposed change of use to create a no waiting zone in St. Lukes Road South, my reasons being the following:

- 1) As a permanent resident and home owner in St. Lukes Road South, I constantly need to park my vehicle during these hours.
- 2) At present, there are very limited spaces available anyway due to the constant parking in the street by office workers from the Abbey Road region.
- 3) May I suggest that serious consideration

is given to making the remaining spaces a 'residents only' parking area.

Is there a real need to have these changes made ??

Yours faithfully
