Dear Mr Stone,

Re: Hackney Carriage Number 132 – Registration Number MF58 HNC

I am writing to inform you that your vehicle has been seen illegally parked on the Harbourside at Torquay by Licensing Enforcement Officers. Your vehicle was seen at 23:43 hrs on Friday 18th February 2011 overhanging into the carriage way from the back of the Vaughan Parade Short Rank, this was observed for 7 mins. The road traffic order for this rank has designated the rank for 3 cars, and although four can probably fit without causing an obstruction, five cannot. Your vehicle was again seen at 00:22 hrs on the 19th February 2011 parked illegally on double yellow lines at the back of the bus bay on the seaward side of Torquay Harbour.

As we have reminded you in previous correspondence you should not be parking illegally at any time and you were warned that any further breaches of parking regulations could result in you being brought before the Licensing Committee to explain your actions.

From our records we have recently written to you, (Ref: SAR090465, dated 3rd November 2010) regarding illegal parking on the harbour side on another separate occasion. As a result of this I would now like you to write to me as soon as possible and in no case no later than 7 days from receipt of this letter to explain your actions as to why you think it is acceptable to be carrying on breaking parking regulations. On receipt of this information the Licensing Manger will decide whether to take the matter to Licensing Committee for actioning.

Should you wish to discuss this matter further then please contact me on the above telephone number.

Yours sincerely

Shaun Rackley
