

Record of Decisions

Torbay on the Move; 'More people, more active, more often'

Decision Taker

Cabinet on 24 May 2022.

Decision

That the Torbay on the Move Findings Report and recommendations as set out below, be approved:

- i) Endorse the proposed Strategic Outcome Themes and pull them together into overarching strategy documentation;
- ii) Commit to a 'Whole Systems' approach as the way of working to deliver the outcomes of Torbay on the Move;
- iii) Communicate Torbay on the Move internally within the Council (including SWISCO & TDA) to ensure broad support for the strategy, break down silos and foster internal collaboration; and
- iv) Give its support to the formation of a 'Strategy Oversight Group' to consist of leaders from within the Council and Community partner organisations. The Group's remit is to be taking forward delivery, overseeing and distributing investment (where available) and providing collective leadership.

Reason for the Decision

Increasing activity levels across Torbay has the potential to make a positive contribution, not just to health and wellbeing agendas but also to the local economy and the environmental agenda with an established link to cleaner air, less carbon produced and cleaner and safer roads.

Implementation

This decision will come into force and may be implemented on 8 June 2022 unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

Information

In 2018 a series of recommendations were made through the Director of Public Health's Annual Report; Torbay on the Move. In partnership with Active Devon, the Council had undertaken a review of Torbay on the Move and delivered a consultation with partners and key stakeholders across Torbay.

The consultation models used, increased our understanding of the strengths of Torbay and its residents as well as the opportunities for making a difference for our communities. Four main findings arose from the consultation process together with a series of recommendations which the Council was asked to consider and commit to.

At the meeting Councillor Morey proposed and Councillor Carter seconded a motion, that was agreed unanimously by the Cabinet, as set out above.

Alternative Options considered and rejected at the time of the decision

An alternative would be to do nothing at all, this option was discounted as there would be very little impact on activity rates in Torbay.

Is this a Key Decision?
