Wednesday 30<sup>th</sup> November 2022.

To Whom it may concern,

It has been brought to my attention that my neighbor Tracy Smart from [REDACTED] has complained to the council about noise and unsociable behavior from patrons at the Devon Dumpling Pub.

I have lived in my property for over 17 years and have never had a problem, as an elderly lady living alone, to have this on my doorstep where I feel welcomed and safe it would be devastating to lose this establishment and I'm very sure that a lot of Devon Dumplings regulars would agree,

The Devon Dumpling is a beautiful asset to shiphay it's a real locals pub, with a good community spirit.

Yours Sincerely
