Torbay Council's Corporate Parenting Strategy 2025–2028 sets out our commitment to supporting cared for and care experienced children and young people, ensuring they are safe, happy, healthy, and able to reach their full potential. The strategy is built on a "Contract of Trust" and shaped by the voices of children, young people, carers, and staff, focusing on respect, empowerment, health and wellbeing, education, relationships, independence, participation, and safe housing. We want to make sure our approach reflects the needs and aspirations of everyone involved, and your feedback will help us improve how we work together to provide the best possible support and opportunities for children and young people in Torbay.
