Primary School	Curriculum Grade	Personal dev Grade	Pub Date	Ofsted report comments relevant to SACRE monitoring	Comments for SACRE
Homelands	ES	ES	23/7/26	Pupils develop an age-appropriate understanding of fundamental British values. They explain the need to treat everyone with respect regardless of culture and religion and to treat others as they would like to be treated. Participation in and the winning of 'Torbay voice' has reinforced pupils' understanding of the power of debating and discussing different ideas respectfully.	
Collaton St Mary	ES	ES	23/9/26	Pupils' social, moral, spiritual and cultural development is strengthened in weekly family worship sessions. In these sessions, older pupils lead mixed-age groups to discuss topics such as diversity, injustice, equity and the fundamental British values. Leaders successfully build older pupils' leadership skills and ensure that all pupils, including those in Reception Year, gain a growing awareness of the world around them. However, some wider knowledge of the curriculum is patchy, such as their knowledge of how people can be different, as well as knowledge of different faiths and cultures.

Brixham College	NA	ES	20/5/26	Pupils reflect on their own beliefs and consider the experiences of others in their philosophy and ethics lessons.	
Torquay Boys	ES	ES	8/6/26	Pupils' engagement in ethical debates is also a strength. This is delivered in part through the school's philosophy and ethics course, where pupils develop their understanding of fundamental British values and read thought-provoking and challenging texts. This curriculum is supplemented by talks from visiting speakers and additional lunchtime clubs.
