Dear Sirs

Torbay Council Financial Statements for the year ended 31 March 2014

This representation letter is provided in connection with the audit of the financial statements of Torbay Council for the year ended 31 March 2014 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with International Financial Reporting Standards.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i We have fulfilled our responsibilities for the preparation of the financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in Great Britain ("the Code") as adapted for International Financial Reporting Standards; in particular the financial statements give a true and fair view in accordance therewith.
- ii We have complied with the requirements of all statutory directions and these matters have been appropriately reflected and disclosed in the financial statements.
- iii The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance.
- iv We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- vi We are satisfied that the material judgements used by us in the preparation of the financial statements are soundly based, in accordance with the Code, and adequately disclosed in the financial statements. There are no further material judgements that need to be disclosed.
- vii Except as stated in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Council has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.

- viii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme liabilities for IAS19 disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant retirement benefits have been identified and properly accounted for.
- ix Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- x All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii We believe that the Council's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.
