## 1. Purpose

- 1.1 The purpose of this paper is to inform the board of the Torbay and South Devon Integrated Prevention Strategy 2014/15 – 2019/20 and for the board to comment and/or agree the way forward as outlined in the strategy.
- 1.2 The purpose of the Integrated Prevention Strategy is to provide a framework across the life-course for focused work on Prevention.
- 1.3 The Strategy identifies priorities for action across 3 domains, behaviour, determinants and service design within each part of the life-course and links these to current or developing strategies and action plans.
- 1.4 The Strategy is accompanied by an action plan and a plan on a page.

## 2. Recommendation

- 2.1 The board acknowledge the priorities set out in the Integrated Prevention Strategy and the strategies and actions to deliver against these priorities.
