1. Proposal and Introduction

1.1 Torbay's Housing Strategy is an overarching document which co-ordinates a number of priorities and documents. This document recognises the need for a strategic approach for all housing tenures in Torbay.

1.2 Our Vision – ***“We want to enable the provision and choice of homes where people can thrive, this helps our economy by offering security and settled homes for longer, promoting health and wellbeing and reduces the impact on the environment. We want to help our communities to recognise and tackle the inequality faced by families, the poor and the vulnerable.”***

1.3 The three key elements we are setting out to achieve and enable are:

- 1) Meeting Housing Demand
- 2) Housing Commissioning “My Home is My Life” (includes the Homelessness Strategy)
- 3) Improving the Quality of Homes

1.4 The draft Housing Strategy and associated documents were considered by the Overview and Scrutiny Board at its meeting held on 23 November 2015. The Board's views are set out in its report which is included with the agenda. In the main, the views of the Board have been taken on board within the documents now presented to the Council.

2. Reason for Proposal

2.1 The proposed Housing Strategy and statutory Homelessness Strategy will enable the priorities identified to be delivered and monitored within a new performance and

governance framework. This strategy supports other Council priorities, in particular it recognises the need to alleviate the pressure on Adults and Children's Social Care and Health services.

3. Recommendation(s) / Proposed Decision

- 3.1 That Torbay's Housing Strategy including "My Home is My Life" and the new Homelessness Strategy set out at Appendices 2, 3 and 4 to the submitted report be approved.
