Service Title: Building Control

Manager: Matt Hunt Business Unit: Community Services

Assistant Director: Frances Hughes

Brief Description of Service:

Note:

Building Control is a cost recovery fee earning service which sets charges to recover the actual costs for carrying out the main building regulation function.

Building Control is a statutory service, which regulates the built environment. This includes the health, safety, welfare and convenience of persons in and around buildings, the provision of access and facilities for persons with disabilities and the conservation of fuel and energy.

Through a variety of legislation the service administers and enforces a framework of national technical standards covering the design, construction, extension, adaptation and use of all types of buildings frequented by people. These standards include provisions for: structural stability, fire protection, means of escape in case of fire, drainage, sound insulation and ventilation.
