In 2018 there has been a significant increase in recorded crime and police logs at this premises. In addition there have been 6 applications to vary the DPS, the last two of which the police have objected to as the persons nominated have clearly not been suitable or competent to run a licensed premises, and particularly one that authorises the sale of alcohol until 1.30 am on Friday and Saturday nights.

In addition the premises has recently been carrying out licensable activities despite several of the conditions on the licence not being complied with.

The Premises Licence Holders, Punch Taverns Ltd, do not appear to be taking any responsibility for assessing persons they nominate as the DPS or ensuring that their premises is run in compliance with the Licensing Act 2003.

Please provide as much information as possible to support the application (please read guidance note 3)

Please find attached a document which shows the breakdown of crimes recorded at the Bolton Inn, on a yearly basis, since 2005. Pages 1-5.

Please also find attached a document outlining the date that Vary DPS applications were granted by Torbay Council, together with the name of the DPS and the approximate period of time that they were at the Bolton Inn. Page 6

In 2010 you will see that 21 crimes were recorded, and you will also see that during 2010 4 different persons were the DPS.

In 2018 you will see that 19 crimes were recorded, and during this time, 6 persons were nominated as DPS.

You will also find attached a breakdown of incident logs recorded by the police at the Bolton Inn since January 2015. Pages 7 – 10. In respect of 2018 you will see that there are 18 incident logs in respect of the premises, which is a significant increase on the 2 logs recorded in 2017.

I took over responsibility for the Brixham area in November 2017 and at that time my colleague, Licensing Officer Mr Peter Cosby, advised me that he was satisfied with the management of the Bolton Hotel, with the DPS at the time being Mr Stephen Close.

On 3 April 2018 an application to Vary the DPS of the Bolton Hotel into the name of Mr Ian Brierley was received by the police. Mr Cosby dealt with this variation as I was on leave, but on my return he advised me that Mr Brierley was to be the temporary DPS for a very short period of time, until a permanent DPS could be found. Mr Brierley is known to both myself and Mr Cosby as a director of Pub Solutions (South West) Ltd. This business is a pub management company.

Within Mr Cosby's notes in relation to this Vary DPS application he states "Also for information Pub Solution contract for premises is likely to cease end of June 2018. Punch T have the intention of investing in the building and refurbish place under new management". Pages 11-12

On 10 April 2018 the police received a Vary DPS application in the name of Mr Lyndon Stevens. On 16 April 2018 Mr Cosby visited the Bolton Hotel and spoke to Mr Stevens. Mr Stevens informed Mr Cosby that he was leaving the premises on Saturday 21 April 2018, with his last night being Friday 20 April 2018. Mr Cosby noted that Mr Stevens was unaware of the contents of the licence as a copy had not been left at the premises. A further note indicates that Punch Taverns were going to refurbish the premises, at the beginning of June and the premises would be food led with new owners. Pages 13-14.

On 24 April 2018 the police received a Vary DPS application in the name of Mrs Susan Wheeler. Mr Cosby attended the Bolton Hotel on the 26 April 2018, where he met with Mrs Wheeler and gave her a copy of the licence in order that she could ensure that she could meet the requirements detailed therein. Mrs Wheeler told Mr Cosby that she only had a contract to run the premises until September at the latest. Mrs Wheeler had previously operated a licensed premises in Paignton. Both myself and Mr Cosby were satisfied with her management of that premises and therefore we had no concerns regarding her taking over at the Bolton Hotel.

On 15 June 2018 the police received a Vary DPS application in the name of Mr Graham Turner. I dealt with this application and I had intended to visit the premises to meet with Mr Turner however on the 16 July 2018 I updated my workload item that whilst I was hoping to visit Mr Turner, I had been unable to do so due to being extremely busy with a heavy workload.

On 5 November 2018 the police received a Vary DPS application in the name of Mrs Pamela Jerred. On receipt of this application and as a result of some enquiries I conducted, I had concerns regarding

Mrs Jerred and her partner running this licensed premises and I therefore visited the Bolton Hotel on 5 November 2018. I asked Mrs Jerred whether she had any licensing experience and she told me that she had worked at the Old Skools Bar for several years and she had also recently been the DPS at the Railway Inn in Dawlish. Subsequent enquiries revealed that in respect of the Railway Inn, 2 days prior to Mr Cosby going to meet her, she was involved in an incident at the premises.

Enquiries also revealed that on 27 October 2018 Mrs Jerred and her partner had been involved in an incident at the Jolly Judge, Torquay, although the exact details of this incident are not known.

On attending work on Monday 12 November 2018 I noted that there 6 police logs from the weekend concerning various incidents at the premises, as detailed below. I received numerous emails from officers who attended the premises over the weekend indicating that Mrs Jerred was under the influence of alcohol and raising concerns regarding her suitability.

Log 1170 of 09/11/18. PC 17394 Neate attended the premises in relation to a fight outside the Bolton Hotel involving multiple people who were very drunk. When he went in to speak to the DPS and landlady of the Bolton Hotel they were both very drunk also (I believe this to Mrs Jerred and her partner). One of the windows of the Bolton Hotel had been smashed but they didn't even realise this until it was pointed out to them. Page 15.

Log 23 of 11/11/18. At 0015 hrs on that day police were requested to attend the Bolton Hotel as a male was threatening a female with a knife. PC 17097 Jenny Hazlewood attended and on arrival the DPS, Mrs Jerred, was present, together with her partner, and 2 children (2x2 year olds and a 1 year old). These children were due to stay overnight in the rooms above the premises. It was established that there had been an altercation between Mrs Jerred and her partner and the allegation was that he picked up a large kitchen knife and pressed it into Mrs Jerred's stomach, not causing any injuries. The 2 children, and Mrs Jerred's 1 year old child had been present for part of this incident.

Mrs Jerred was highly intoxicated, very unsteady on her feet and slurring her words. She said that the pub had been closed for a while prior to this incident, but when officers arrived the side door of the pub was wide open.

The male was also intoxicated, but not to the same extent as Mrs Jerred. A copy of PC Hazlewood's report is contained at page 16.

In relation to this incident, PC 17113 Peter Randall also sent me an email, which is contained at page 17. You will note that PC Randall raises concerns regarding Mrs Jerred's relationship with alcohol and indicates that he does not feel Mrs Jerred is suitable to be the DPS.

Log 494 of 11/11/18. At 1255 hrs on 11 November 2018 the police were again called to the premises after a report that a female was threatening Mrs Jerred. On police arrival the pub was closed, with the doors locked. The officers had to knock to be let in. On entering Mrs Jerred was present with 3 other males. The males appeared under the influence of drugs and there was evidence of alcohol consumption on the bar and an ash tray that had clearly been used. A copy of PC Hazlewood's report is contained at page 18.

On 13 November 2018 the police objected to the application to Vary the DPS of the Bolton Hotel to Mrs Pamela Jerred. A copy of the objection letter is contained at pages 19-24.

On 26 November 2018 Punch Taverns Ltd submitted an application to Vary the DPS of the Bolton Hotel to Mr Jonathan Hardy. As this superseded the application for Mrs Jerred to be nominated as the DPS, the police withdrew their objection in respect of Mrs Jerred.

On receipt of the application for Mr Hardy to become DPS, research was carried out on all police systems and this showed that Mr Hardy is the DPS for a premises in Plymouth called the Bristol Castle. I therefore rang the Licensing Officers for Plymouth and discussed their knowledge of Mr Hardy. They raised concerns that there had been problems at the premises whilst Mr Hardy had managed them but those problems disappeared when Mr Hardy left. I was also advised that the Bristol Castle is currently

closed, but Mr Hardy remains the DPS.

On 27 November 2018 I sent an email to various police officers based in Brixham advising them that Mr Hardy was taking over the premises and expressing my concerns in relation to him. At that time I indicated that I did not feel that I had sufficient grounds to object to him being DPS of this premises and asked officers to keep an eye on the premises.

On 28 November 2018 I discussed this Vary DPS application with other licensing officers and as a result of those discussions and the advice I received, I rang Ms Kate Swarbrick of Punch Taverns Ltd. I advised her that the police had concerns in relation to Mr Hardy and his management of licensed premises in Plymouth. I informed her that as a result of these concerns the status of the Bolton Hotel would be increased to a Premises of Concern. I told her that the premises would receive frequent police visits and any evidence of poor management may result in a Review of the Premises Licence.

Ms Swarbrick advised me that a management company called Pub Solutions are responsible for managing the Bolton Hotel and that in January 2018, Pub Solutions have to hand the premises back to Punch Taverns Ltd. The premises would then be the subject of substantial refurbishment. She said that when it re-opens Punch Taverns Ltd will be looking for someone who can change the customer base. I suggested to Ms Swarbrick that Punch Taverns Ltd could close the premises from that day and leave it empty but she said that the building is listed and they are worried that it will be vandalised or attract squatters.

I raised concerns with Ms Swarbrick that anyone going into the premises for such a short period of time is not going to be worried about how professionally the premises is run and she assured me that Pub Solutions do have individuals who regularly take on these types of premises.

Shortly after speaking to Ms Swarbrick I received a telephone call from Mr Ian Brierley, a director of Pub Solutions. I explained the situation to Mr Brierley and he told me that Mr Hardy would be gone the following week, ie week commencing Monday 3 December 2018, but in the meantime he asked us to be patient.

At 0039 hours of the morning of Saturday 1 December 2018 (Log37 of 01/12/18) an incident occurred at the Bolton Hotel when Mr Hardy rang 999 indicating that 4 people were fighting outside his premises, and the group involved both males and females with lots of pushing and shoving. He told the call taker that he was the landlord and he had gone back inside and locked the door so he could not provide any further details. He said that the persons involved had all been drinking in the pub.

At 0043 the CCTV Control Room was monitoring the incident and indicated that one older male was trying to break the group up but the females were then having a go at the male. Mr Hardy then went out to try and assist the older male break up the fight and move everyone on.

At 0105 hrs police attended, nearly all of the persons involved had left but of those still present no one would say anything or pass the officers details of the incident. An email from PC 17097 Hazlewood in relation to this incident is at page 25.

On Monday 3 December 2018, a letter was sent to Punch Taverns Ltd advising them that the status of the Bolton Hotel had been raised to a "Premises of Concern". A copy of this letter is attached at pages 26-27.

At 1200 hours on Wednesday 5 December 2018 I met with Mr Brierley in order to discuss a matter not relative to the Bolton Hotel. At the conclusion of those discussions Mr Brierley asked if whether it would be possible for Mr Hardy to stay as the DPS at the Bolton Hotel. Mr Brierley stated that he had visited the premises a couple of times since Mr Hardy took over and he thinks Mr Hardy is really nice and keen to run a good premises. He said that if the police objected to Mr Hardy he would have a problem finding a replacement at the premises, particularly as it is closing for refurbishment in 7 weeks time. I advised Mr Brierley that an incident had occurred at the premises over the weekend, but Mr Brierley did not seem aware of that.

During the afternoon of Wednesday 5 December 2018 I attended the Bolton Hotel in order to discuss the above incident with Mr Hardy. However, on arrival I was advised by Mr Hardy's partner, [REDACTED] that he was not present and would not be back at the premises for some time. I advised [REDACTED] that she wished to view the CCTV of the incident and [REDACTED] indicated that although she had not used the system she was happy to try to play the footage.

We both went to the CCTV hard drive however this was password protected and [REDACTED] did not know the code. [REDACTED] then rang Mr Hardy and I discussed the incident with him over the phone.

I read the email from PC Hazlewood and asked Mr Hardy if he agreed with the content and he confirmed that he did. He then described the incident to me and said that after the incident had occurred he called last orders as there were only a few customers left.

I asked Mr Hardy what door steward company he uses, and he replied that he didn't know what company Punch Taverns or Pub Solutions use but he would find out. I asked for the names of the stewards that were on duty at the time of the incident and he informed me that there were no stewards on duty. I asked Mr Hardy what he thought the Premises Licence says in relation to the use of door stewards and he told her that he thought he had to have 2 stewards for the first 100 customers, and another steward for the next 100 customers. I informed him that this is correct, and then asked him when he thought he should use door stewards. He said that he thought he had to have them if he was selling alcohol after midnight. I then asked him why, if he knew the requirement of the licence, there was no door stewards on duty at the time of the incident. Mr Hardy then explained that he had only been given a copy of the Premises Licence that morning, ie Wednesday 5 December 2018. I then asked Mr Hardy what steps he had taken on the morning of Monday 26 November 2018, ie the day he started at the premises and became legally responsible for the sale of alcohol, to establish what the licence conditions were. He told me that he had read documents he found in the premises, but again stated that he didn't actually see the licence until that morning.

I also asked Mr Hardy if I could see his incident book but he advised her he didn't have one. I informed Mr Hardy that the licence requires him to keep an incident book and Mr Hardy said that he didn't think the previous DPS's of the premises had kept one as he hadn't found one when looking around the premises.

I informed Mr Hardy that the two females involved in the incident on 2 December 2018 were described as highly intoxicated by PC Hazlewood and I reminded him to ensure that the premises do not sell or serve alcohol to persons who are drunk.

[REDACTED] and I then went to the CCTV hard drive again in an attempt to view the footage, as Mr Hardy had told me the password. They were unable to get the footage to play but [REDACTED] did notice that the timings on the cameras appeared to be about an hour out and I asked her to tell Mr Hardy about this.

On Thursday 6 December 2018 the police objected to the application to Vary the DPS to Mr Hardy and a copy of this letter is contained at pages 28-32.

At 3.00 pm on Monday 10 December 2018, I received a telephone call from Mr Hardy. Mr Hardy asked her if I was able to provide him with some drugs posters and crime prevention posters so that he could comply with the conditions on the Premises Licence. He further asked her if I am aware of the company responsible for the installation and servicing of CCTV system at the premises as he is not happy with the position of some of the cameras and he said that some of the images are blurry. He further said that in relation to the burglar alarm this is in place however he doesn't know the code to set the alarm and he wondered if I could advise him who is responsible for the alarm. He also asked me if I am able to supply him with the radios for use by door staff as he hadn't found any on the premises.

I advised Mr Hardy that I will send him some drugs posters. In respect of all his other queries I told him to direct these to Punch Taverns Ltd, who are the Premises Licence Holder, or to Mr Ian Brierley of Pub Solutions who he has been dealing with on behalf of Punch Taverns Ltd.

Mr Hardy informed me that as a result of their discussions on Wednesday 5 December 2018 he had

read through the Premises Licence and was attempting to comply with all the requirements of the licence. He said that he had found a First Aid box but the contents of this were out of date so he has purchased a new box and he has also purchased an incident book.

I advised Mr Hardy that if he was not in a position to be able to comply with all the requirements of the licence he should not be selling alcohol as he is committing offences under Section 136 of the Licensing Act 2003. Mr Hardy reassured me that he is attempting to address all of the matters requiring attention but that he needs some time in order to do so.

On Thursday 13 December 2018 a further letter was sent to Torbay Council providing details of the telephone conversation between myself and Mr Hardy on 10 December 2018. Pages 33-34.

At approximately 1500 hours on Tuesday 18 December 2018 Mr Hardy rang me and told me that he was frustrated as he had drawn a couple of concerns to the attention of Pub Solutions and Punch Taverns Ltd but they were not assisting him in resolving the matters. He said that he was not happy with the CCTV system and requested a couple of additional cameras be installed, but no one seemed to want to do this. He also said that there were no radios for use by the door stewards and it was apparent that neither Pub Solutions or Punch Taverns Ltd were going to supply them. He told me that he doesn't think he should have to pay for these matters to be addressed. I told Mr Hardy that in my opinion Punch Taverns Ltd probably don't want to pay for these things as the premises is due to close in January 2019 for a major refurbishment. However, he then told me that he was told he would be there until the summer but he said some people attended the premises last week and showed him the new drawings and they indicated that the refurbishment would start in March or April of next year.

During discussions Mr Hardy told me that during the day he runs his garage business in Plymouth so his partner will be running the Bolton, but he said that he will be there during the evenings when it is more likely that there could be problems. I told Mr Hardy that unfortunately this is not necessarily the case and it is possible to have incidents at any time of the day.

Please note that within some of the documents attached to this application Ms Kate Swarbrick is referred to as Ms Strawbridge. I can confirm that this is a mistake and in fact both names refer to the same female, Ms Kate Swarbrick of Punch Taverns Ltd.

In relation to the above information, the police are not satisfied that Punch Taverns Ltd have carried out any suitability checks in relation to persons nominated as their DPS at the Bolton Hotel and they have also not taken responsibility to ensure that their premises are run in accordance with the law and in a manner that promotes the licensing objectives.

Please find attached other information held by the police in relation to the Bolton Hotel from 2012 to date which will hopefully provide you with an overview in relation previous issues identified at this premises. I shall provide brief details of these documents as follows:

Report concerning information received that a fight occurred at the premises in the week prior to 20 April 2012. Police were advised that the door stewards would be able to provide further information. The door stewards were spoken to but declined to give any details stating that there was not a fight. Pages 35-36.

Mr Cosby's notes concerning this matter show that on 27 April 2012 he visited the premises and discussed the above with Mr Thomas, DPS. He asked to see the incident book but there was nothing recorded on the relevant day, however he then requested to view CCTV and this showed an incident at approximately 2300 hours. Mr Thomas was requested to download the CCTV footage but he was unable to do so. On 11 May 2012 he again met with the DPS, Mr Thomas. Mr Thomas told him that he had met with Pub Solutions and discussed CCTV but Pub Solutions would not extend the CCTV coverage or add an extra door stewards on Friday and Saturday nights. Pages 37-38.

At approximately 0014 hours on the morning of 22 May 2012 an incident occurred between two females over a mix up of drinks. The DPS intervened and due to one of the female's demeanour "he requested

that she have her drink in a plastic glass as he asked her to leave". As he tried to take away the glass she snatched it from him and glassed him in the face, and he sustained a cut above his right eye. Pages 39-40

During my visit to the Bolton Hotel on Wednesday 5 December 2018 I noticed a poster on the wall of the Bolton Hotel, just inside the entrance door from New Road, which said words to the effect of "if you wish to take your drink away with you please request a plastic glass". From a police perspective we do not approve of drinks in open vessels being taken away from licensed premises, whether they are in plastic or glass vessels, but accept that there is nothing contained within the Premises Licence of the Bolton Hotel to prohibit this taking place. However I would point out that the premises are on the border of the Brixham No Drinking Zone.

At 1130 hours on Monday 11 June 2012 a meeting was held at Brixham Police Station between Mr Thomas (DPS), Mr Ing (Pub Solutions), Mr Brierley (Pub Solutions), Mr Greenslade (Punch Taverns Ltd), Inspector Dai Antill and Mr Cosby. Documents concerning this meeting are attached at pages 41-46.

On 18 October 2012 Mr Cosby carried out a Significant Event Audit in relation to the Bolton Hotel as a result of an incident on 14 October 2012. This established that the CCTV appeared to have been switched off and when it was switched on no recordings had been made during the weekend of the 13/14 October 2012. Mr Cosby notes that the DPS was removed from the premises on 15 October 2012 and a new DPS application was submitted on 16 October 2012. Mr Cosby's notes are contained at pages 47-48. Unfortunately Mr Cosby is currently on long term sick leave and I have been unable to obtain any further information concerning this matter.

At 2215 hours on 19 October 2012 a routine visit was made at the premises. Advice was given re treatment of surfaces to prevent drug use and cocaine wipes gave positive results in both male and female toilets. Pages 49-50.

On 4 March 2013, information received concerning a male believed to be working at the Bolton Hotel who may be involved in the supply of drugs. Mr Cosby requested that the premises were visited during the next drugs operation in the area. Page 51.

On 20 June 2013 information received that an incident had occurred within the garden area of the premises which is not covered by CCTV. Page 52.

On 18 July 2013 PCSO Copik attended the premises in relation to log 948 of 17/07/13. An incident had occurred in the smoking area of the premises. DPS was very pro-active and had asked people not to smoke any cannabis in the smoking area and she told him about her concerns in relation to the use of cocaine in the premises. Pages 53-54

Police attended the premises at approximately 2333 hrs on 20 July 2013 in relation to log 1236. A male became annoyed when drugs were seized from him. Police officers gave the male a Section 27 notice requiring him to leave the area. Pages 55-56. Mr Cosby's notes indicate that a new door steward team were in place and were trying to stop drug use at the premises. Page 57.

On 20 December 2013 Mrs Mandy Guy of Torbay Council forwarded a letter of complaint to the police. Mr Cosby's notes indicate that Sgt Cayless dealt with this matter and premises were being monitored by local officers. Pages 58-60.

On 8 January 2014 at 1345 hours PCSO Copik attended. Cocaine wipes were used in the toilets and gave a positive result. Pages 60-61.

At 2300 hrs on 13 November 2014 an altercation took place between two males, during which the offender struck the aggrieved to the face causing him to lose consciousness and he sustained a black eye. (Log 10 of 14/11/14). Pages 62-63.

Whilst making enquiries into this incident PCSO Seaman raised concerns that information suggests that

the premises were open and serving alcohol until 3 am. PCSO Seaman also requested the CCTV from the Bolton Hotel on several occasions and an officer was told "If the police wanted the CCTV they would have to come in and get it themselves". This resulted in the CCTV being lost. Pages 64-65. Mr Cosby's notes indicate that he discussed this incident with Ms Kate Swarbrick of Punch Taverns. Page 66. On 10 December 2014 Mr Cosby wrote to the DPS concerning incidents and after hours drinking. A copy of this letter was also sent to Punch Taverns Ltd. Page 67.

At 2000 on 19 December 2014 Sgt Cayless attended the Bolton Hotel with PCSO Copik for a routine visit. Only 6 persons were in the premises. Sgt Cayless states "Bar staff was pretty unhelpful and unco-operative but not obstructive". Pages 68-69. Mr Cosby discussed this matter with Ms Swarbrick on or around 7 January 2015. Page 70.

PCSO's Copik and Veitch attended the Bolton Hotel at 1130 hours on 21 February 2015 in order to obtain CCTV but DPS was un-cooperative. Pages 71-73.

On 3 July 2015 information was received concerning the CCTV not working and misuse of drugs on the premises. Mr Cosby visited the premises with Sgt Cayless and Mr Noble (Torbay Council Licensing Team). Page 74.

On 29 December 2015 information was received that a private ticket party was being held at the premises on New Years Eve but security was not being provided. Mr Cosby visited the premises and discussed the matter with the DPS. Page 75.

On 14 May 2016 PCSO Copik received information that a male who had bail conditions prohibiting him from entering licensed premises had been drinking in the Bolton Hotel. He attended the premises at 1230 hours but the DPS was not present and no one knew how to work the CCTV. On entering PCSO Copik was greeted by an unknown female customer who said "Hello can we help you, what the fuck do you want". Pages 76-77.

At 2350 hours on 10 July 2016 four officers attended the premises due to a fight. The DPS assisted police officers to separate the females involved. Pages 78-79.

At 0015 hours on the morning of 1 October 2016 police attended the premises, (Log 32 of 01/10/16). A male had been ejected out of the back door but walked around the front and tried to gain entry. He threw an ashtray at the door which hit a window. Officers spoke to door staff who were happy for the male to leave the area. However this person initially agreed to leave the area but returned and tried to gain access again. Another police unit and ambulance were then called as he had put his foot through the door. Pages 80-81.

At 2236 hours on 12 November 2016 four police officers attended the premises in relation to a dispute between a customer and staff over non-payment for a bottle of wine which lead to a customer being ejected. He called the police stating he was assaulted by staff (Log 939 of 12/11/16). Pages 82-83.

At 0115 hours on 26 November 2016 police attended in relation to a fight between two males. Door stewards intervened and lawfully ejected the males. Mr Close (DPS) called police in the event of the incident escalating but when officers arrived the males had been split up and moved on in separate ways. Pages 84-85. Mr Cosby made notes in relation to his visit to the premises on 2 December 2016. Pages 86-87.

In April 2017 Punch Taverns Ltd applied for a full variation to extend the sale of alcohol on Friday and Saturday nights until 1.30 am with the premises closing at 2.00 am. The police objected to this application on the grounds that we were not satisfied that the crime prevention objective would be met. Within our representation we referred to the frequent change of DPS at this premises and the increased risk of impact on the licensing objectives that this may have. Pages 88-91.

A hearing was subsequently held on 18 May 2017 and at the hearing Punch Taverns Ltd assured the Licensing Committee that Mr Close had moved his family down to Brixham and it was his intention to remain at the premises for a considerable period of time. As a result of that hearing the application was

granted with two further conditions being imposed on the licence. A copy of the decision notice is contained at pages 92-93.

Hi Julie,

Just to make you aware of a fight we were called to outside the Bolton this evening involving multiple people who were very drunk.

When we went in to speak to the DPS and the landlady of the Bolton, they were both very drunk also.

One of their windows had been smashed and they didn't even realise until we pointed it out to them.

The DPS said they had only been running the pub for a week. This may be the very beginning of multiple problems as they seemed quite involved in the altercation happening outside.

Kind Regards,

Craig

Subject: Licensing - The BOLTON pub

Hi Julie,

Just wanted to make you aware of log 23 11/11/18. This was a call to the BOLTON pub in BRIXHAM in which a male was apparently threatening a female with a knife.

On arrival, there was the landlady, Pamela JERRED and [REDACTED]. There was also [REDACTED] children present in the pub – [REDACTED] year olds and a [REDACTED] year old. These children were due to stay overnight at the pub in the rooms upstairs.

It was established there had been an altercation between JERRED and [REDACTED] and the allegation was that [REDACTED] picked up a large kitchen knife and pressed it into JERRED's stomach. This did not cause any injuries.

The [REDACTED] children and JERRED's [REDACTED] year old [REDACTED] were present for part of this incident.

JERRED was highly intoxicated, very unsteady on her feet and slurring her words. She stated the pub had been closed for a while prior to this event, but when we arrived the side door to the pub was wide open.

[REDACTED] was also intoxicated, although not to the same extent as JERRED.

The couple clearly have a volatile relationship and according to JERRED's [REDACTED] [REDACTED] this behaviour happens regularly.

Just for awareness due to licensing etc.

Kind regards,
Jenny

Subject: DCP-20181111-0023 - CR/104456/18

Hi Julie,

I attended the above log / crime at THE BOLTON HOTEL, NEW ROAD, BRIXHAM, TQ5 8LT. The DPS is Pamela JERRED [REDACTED] and she lives above the pub with her partner [REDACTED] and her [REDACTED]. I attended the premises approximately 20 minutes after closing time and found both JERRED and [REDACTED] well in drink. JERRED tried to claim that she had had three shots of vodka after closing. It was clear that she had had substantially more to drink and must have been drinking well before the pub was closed in order for the alcohol to have taken effect. I went from the public bar area through the door to the left of the bar which leads to the private flat. Behind this door to the left is a short corridor and cubby hole area where I found a litre bottle of vodka with about an inch left in the bottom.

I later quizzed [REDACTED] about JERRED and he told me that she was an alcoholic who consumes a shot of vodka upon waking up in the morning. He also said she was drinking a bottle of vodka a day. This would be consistent with the bottle of vodka I found just in the private area of the pub. Close enough to the bar for JERRED to consume through the day whilst working. I did not tell JERRED that I had found the bottle so no doubt she will continue to stash bottles there.

I do not think JERRED is a suitable person to be a DPS. She was so intoxicated at the scene that she didn't seem to understand what was going on. Her 30 year old [REDACTED] had to lock up the pub and took away the cash tills. She was also very hostile when I questioned her about the amount she had had to drink.

Kind Regards,
Pete.

Subject: Bolton Pub - Further log 494 11/11/18

Hi Julie,

Can I make you aware of this further log for the BOLTON HOTEL?

Police were called down the pub again today at 12:55 after a report that a female, [REDACTED] was in there threatening Pamela JERRED.

[REDACTED] is the mother of the children that were in the pub last night so was attending to get some of their belongings back.

On police arrival at approximately 1300 hours on SUNDAY 11th NOVEMBER 2018, the pub was closed, the doors were locked and police had to knock to be let in.

Pamela JERRED was present with [REDACTED] and 2 other males. The males appeared under the influence of drugs, there was evidence of alcohol consumption on the bar and an ash tray that had clearly recently been used.

I attended this pub at about 2am this morning, so I am fully aware that bottles/glasses weren't on the bar last night – therefore it must have been consumed this morning.

Pamela is clearly not an appropriate DPS and this pub is deteriorating rapidly and action needs to be taken.

If you require anything further, do not hesitate to make contact.

Many thanks,

Jen

Dear Sir/Madam

Application to Vary the Designated Premises Supervisor in respect of The Bolton Hotel, New Road, Brixham, Devon, TQ5 8LT

I refer to an application to Vary the DPS of the above named premises into the name of Ms Pamela Jerred. This application was submitted by TLT Solicitors on behalf of the Premises Licence Holders, Punch Taverns Ltd, on 1 November 2018. The applicants have requested this application to have immediate effect.

I object to the variation of the licence to specify Ms Jerred as the Designated Premises Supervisor, on the basis that the exceptional circumstances of the case are such that granting the application will undermine the crime prevention objective.

On receipt of this application, my Police Licensing Officer, Mrs Julie Smart, attended The Bolton Hotel on the afternoon of Monday 5 November 2018, where she met with Ms Pamela Jerred and her partner, [REDACTED]. During discussions concerning Ms Jerred's experience in the licensed trade, Ms Jerred informed Mrs Smart that she had worked for approximately 4 years at the Old Skools Bar, Market Street, Torquay and had recently been the DPS of a premises known as the Railway Inn in Dawlish.

On returning to Torquay Police Station, Mrs Smart conducted some research in respect of Ms Jerred and found an item in relation to an application nominating her as the DPS of the Railway Inn, Dawlish. A copy of the police record in respect of this application is attached for your information (Pages 1-4).

The application was received by the police on 11 July 2018 and the application was to have immediate effect. On 18 July 2018 Mr Peter Cosby, who was responsible for

licensing within Teignbridge at that time, identified two police logs in relation to the Railway Inn, these being Log DCP-20180714-0053 and DCP-20180714-0732.

Log DCP-20180714-0053 relates to a 999 call received by the police at 00:59:30 hours on the morning of Saturday 14 July 2018 from a female located at an address in Shaldon. This female said that her daughter had phoned her to state that a fight was taking place at the Railway Inn, Beach Street, Dawlish. The reporting person stated that she could hear screaming in the background and her daughter was being told to get out.

At 01:04:44 hrs a police unit arrived at the premises and noted the doors were all locked and the curtains were closed. It was subsequently ascertained that the reporting person's daughter was staying at the Railway Inn with her friend, who had moved into the premises the day before. Her friend's mother, Ms Jerred, had accused the reporting person's daughter of sleeping with her fiancé and a massive argument had ensued. Police were going to return the reporting person's daughter to her mother's address however this female decided that she wanted to stay at the Railway Inn and she said that she would get a taxi back to Torquay the following day. This female was 18 years old and therefore the police left her at the premises.

Of note the very last entry on this log states: "14/07/2018 01:44:17: JG50N the landlady and her partner were both well in drink and they have only had the licence for 2 days".

A copy of this log is attached for your information (pages 5-7).

Log DCP-20180714-0732 relates to an incident involving 2 dogs but does not contain any information of relevance in relation to Ms Jerred management of the Railway Inn.

Mr Cosby's notes indicate that he visited the premises on 19 July 2018 and spoke to Pamela Jerred who told him that she had recently got married and was now known as Pamela Fortune. Mr Cosby noted that she got married 2 days after receiving her personal licence. Mr Cosby also noted that Ms Fortune's husband was present at this meeting and contributed in the conversations.

Mr Cosby gave Ms Jerred/Mrs Fortune advice concerning changing her details on her Personal Licence. For your information her Personal Licence, PA3385, was issued by Torbay Council on 6 June 2018 and remains in the name of Pamela Lorna Jerred.

Mr Cosby discussed the above 2 police logs with Ms Jerred. Both of these incidents occurred on 14 July 2018, 3 days after Ms Jerred had taken over as DPS at the premises. Due to these incidents Mr Cosby decided to raise the category of the Railway Inn to a 'Premises of Interest'. This term is used by licensing officers to identify premises where they have a specific interest, and this could be due to concerns as a

result of poor management practices, where there are higher levels of crime and disorder or licensing breaches.

Whilst Mrs Smart was at the Bolton Hotel on 5 November 2018, [REDACTED] did not advise her of his experience in the licensed trade, however Mrs Smart was certain that she had seen or heard the name [REDACTED] within the last week or so.

Subsequent enquiries by Mrs Smart revealed that at 22:49:58 hrs on the evening of Saturday 27 October 2018 police were contacted via a 999 call in relation to an incident occurring at the Jolly Judge, 168 Union Street, Torquay. The log indicates that loud males were shouting, arguing and fighting at the premises. At 23:02:27 hours the log was updated "No disorder upon arrival. Member of staff stated [REDACTED] and his partner were causing issues but nobody could actually state was this meant exactly. No offences disclosed. [REDACTED] and partner asked to leave". A copy of the Log DCP-20181027-0897 attached refers to this incident (pages 8-9)

For your information Mrs Smart has requested the DPS of the Jolly Judge to download all CCTV in relation to this incident. However the premises have been unable to supply any footage from the date in question and therefore I am unable to advise you of what took place at the Jolly Judge or the extent of Ms Jerred's involvement.

Mrs Smart also recalled that a male called [REDACTED] was involved in an incident at The Terrace Bar, Torquay some time ago, and she has located an email from Sgt 2067 John Dingle dated 22 April 2018 concerning this matter. A copy of the email is attached for your information (page 10).

Sgt Dingle noted that at the time of his visit [REDACTED], was in charge of the premises. There was a female member of bar staff called Pam working. Sgt Dingle indicates that both of these persons were in drink whilst working at the premises, the police had been called on two occasions within a very short period of time due to incidents within the premises and the keys to the premises had also been lost or stolen at some point. For your information the Premises Licence in respect of the Terrace Bar was revoked by the Licensing Sub-Committee at a Review hearing on 9 August 2018, which centred around poor management practices.

As a result of the above matters, Mrs Smart was concerned that Punch Taverns Ltd were seeking to nominate Ms Jerred as DPS at the Bolton Hotel, Brixham. This premises has a late licence and throughout Mrs Smart's 18 years experience in the Licensing Department this premises has regularly been of concern to the police due to the types of individuals this premises attracts and it therefore needs strong management by an individual who is prepared to challenge inappropriate behaviour. Mrs Smart therefore sent an email to Brixham officers on 6 November 2018 highlighting her concerns and requesting that officers pay attention to the premises over the weekend of 9, 10 and 11 November 2018.

On 12 November 2018 Mrs Smart discovered that she had received the following emails over the weekend period:

10 November 2018 at 0032 hrs – Email received from PC 17394 Craig Neate regarding Log 1170 of 09/11/18 in relation to a fight outside the Bolton Hotel. When PC Neate spoke to a person who he assumed was the DPS and the landlady, he noted that they were both very drunk and they had not realised that one of their windows had been smashed until it was pointed out to them. A copy of this email is attached (page 11) and you will note that PC Neate's final sentence states "This may be the very beginning of multiple problems as they seemed quite involved in the altercation happening outside".

The police log in relation to this incident is not attached as it does not contain any information of relevance to the Bolton Hotel or Ms Jerred, and it does not indicate whether the incident emanated from the Bolton Hotel.

11 November 2018 at 0308 hrs – Email received from PC 17097 Jenny Hazelwood regarding Log 23 of 11/11/18. This was in relation to a 999 call received by the police at 00:15:26 hours on the morning of Sunday 11 November 2018 when a male was threatening a female with a knife. On police arrival Ms Jerred was at the premises with [REDACTED], together with 2 children (● x ● year olds and a ● year old). These ● children, together with Ms Jerred's ● year old ● were present during the incident when [REDACTED] is alleged to have picked up a large kitchen knife and pressed it into's Ms Jerred's stomach.

At the time of the incident Ms Jerred was highly intoxicated, very unsteady on her feet and slurring her words. She stated the pub had been closed for a while prior to this incident, but when officers arrived at the premises the side door to the pub was wide open. [REDACTED] was also intoxicated but not to the same extent as Ms Jerred.

A copy of PC Hazelwood's email is attached for your information (page 12).

PC 17113 Peter Randall also attended the premises as a result of this incident. He says that he attended the premises 20 minutes after closing time and found Ms Jerred and [REDACTED] well in drink. Ms Jerred claimed that she had had three shots of vodka after closing but it was clear to the officer that she had had substantially more to drink and must have been drinking well before the pub was closed in order for the alcohol to have taken effect. When he went from the public bar area to the flat above, he located a litre bottle of vodka that had about an inch left in the bottom.

PC Randall discussed Ms Jerred's drinking with [REDACTED] and he told the officer that she is an alcoholic and described her drinking a bottle of vodka a day.

On this occasion she was so intoxicated that the officer commented that she did not seem to understand what was going on and her [REDACTED] year old [REDACTED] had to lock the pub up and take away the cash tills. Ms Jerred was also very hostile towards the officer when he asked her about the amount she had had to drink.

A copy of PC Randall's email is attached for your information (page 13).

From police records it appears that [REDACTED] and Ms Jerred have a volatile domestic relationship. [REDACTED] motive for telling the officer that she is an alcoholic is not known. However it is apparent that on numerous occasions when Ms Jerred has been spoken to by police officers, since July 2018, she has been under the influence of alcohol.

At 13:47 hrs on 11 November 2018 PC 17097 Jenny Hazelwood again sent an email to Mrs Smart but this time in relation to Log 494 of 11/11/18. The police were called to the pub at 12:55 hours that day after a report that a female was in there threatening Ms Jerred. This female was established to be the ex-partner of Mr Fortune and the mother of the children present during the knife incident the day before. She had attended the premises in order to collect some of the children's belongings.

On police arrival at approximately 1300 hours on Sunday 11 November 2018, the pub was closed, the doors were locked and the police had to knock to be let in. On entering the premises Ms Jerred was present with 3 males. These males appeared to be under the influence of drugs, there was evidence of alcohol consumption on the bar and an ashtray that had clearly recently been used.

PC Hazelwood stated that as she had attended the pub at 2.00 am that morning, she was aware that the bottles and glasses weren't on the bar at the time of her earlier visit, and therefore the drinks must have been consumed that morning. Whilst no offences or licensing breaches were identified at this time, it is of concern to the police that Ms Jerred may have been drinking in private with these individuals, one of whom is very well known to local police officers and other licensed premises in the Brixham area.

A copy of PC Hazelwood's email is attached (page 14) and you will note that she raises concerns that she does not think Ms Jerred is appropriate to be DPS and that the pub is deteriorating rapidly and action needs to be taken.

In conclusion it appears that Ms Jerred has an unhealthy relationship with alcohol and I am concerned that she may be alcohol dependant, which brings into question her suitability to advise others on their drinking habits and make decisions with a clear mind. It is also apparent that wherever Ms Jerred and [REDACTED] are frequenting, whether as staff, managers or customers, incidents occur that require police attention.

At the time of preparing this letter Ms Jerred has been responsible for the Bolton Hotel for a period of 8 days, and during that time the police have attended the premises in response to police logs on 4 occasions over the course of one weekend period, which is unacceptable.

As the Bolton Hotel requires firm and consistent management that I do not believe Ms Jerred will be able to provide, I request that, in line with Section 39 (3)(b) of the Licensing Act 2003, you reject this application on the grounds that this is necessary for the promotion of the crime prevention objective.

Should you require any further information or assistance, please do not hesitate to contact my Licensing Officer, Mrs Julie Smart, on telephone number 01803 218900.

Yours faithfully

Subject: BOLTON PUB

Hi Julie,

Just so you know, we attended the BOLTON again this evening after a report of a fight – Log 37 01/12/18 refers.

On attendance, there were some males by the door, one of them with a slight eye injury. Two females then appeared who were highly intoxicated and had been in the pub during this incident. One of the females stated that the altercation involved a female inside the pub pouring a bottle of wine on her. The female who was reciting this was very aggressive in her manner and she was given strong WOA to leave the area or she would have been arrested.

There were 2 people still inside the pub at the time of our attendance (approx. 00: 50 hrs).

I asked the Landlord for details and he passed the name, Jonathan HARDY. He stated that the pub was due to stay open until 0200am, but he decided to close early so called last orders at 00:30 hrs which was when this incident commenced.

HARDY stated he had taken over as Landlord on Monday.

Concerns that he hasn't even been DPS for a week at the BOLTON and this incident has already occurred.

Kind regards,
Jenny

Dear Sir/Madam

Application to Vary the Designated Premises Supervisor in respect of The Bolton Hotel, New Road, Brixham, Devon, TQ5 8LT

I refer to an application to Vary the DPS of the above named premises into the name of Mr Jonathan Hardy. This application was submitted by TLT Solicitors on behalf of the Premises Licence Holders, Punch Taverns Ltd, on 23 November 2018. The applicants have requested this application to have immediate effect.

As I am sure you are aware, the Bolton Hotel in Brixham has had a somewhat chequered past and for many years it has been of concern to the police. Unfortunately this premises seems to attract a particular type of client, and the premises therefore requires firm management, particularly as it has a late licence allowing the sale of alcohol until 1.30 am on Friday and Saturday nights.

In relation to this application I object to Mr Hardy becoming the Designated Premises Supervisor, on the basis that the exceptional circumstances of the case are such that granting the application will undermine the crime prevention objective.

Research carried out by the police shows that Mr Hardy was nominated as the DPS of the Bristol Castle, Duncan Street, Plymouth on 15 December 2017 and he is currently still the DPS of this premises, although it is believed that this premises is currently closed.

My Police Licensing Officer, Mrs Julie Smart, has discussed Mr Hardy with Mr McIndoe (Licensing Officer for Plymouth) and Mr McIndoe informed her that he had a few concerns regarding Mr Hardy's management of the premises in Plymouth, and that it

appears that Mr Hardy is not the individual he is purporting to be. Mr McIndoe also told Mrs Smart that when Mr Hardy left the premises, the concerns disappeared.

As a result of information held by the police and Mr McIndoe's comments, Mrs Smart telephoned Ms Kate Strawbridge of Punch Taverns Ltd during the afternoon of Wednesday 28 November 2018 and advised her of police concerns. Mrs Smart advised Ms Strawbridge that as a result of Punch Taverns nominating Mr Hardy as their Designated Premises Supervisor she was raising the status of the Bolton Hotel to a "Premises of Concern" and as such Punch Taverns should be aware that the premises will receive frequent monitoring by the police, during which any evidence of poor management will be collated and could form the basis of a Review.

Ms Strawbridge advised Mrs Smart that the premises are currently under the management of a company called Pub Solutions and she said that she would discuss the matter with Mr Ian Brierley.

During the telephone call Ms Strawbridge advised Mrs Smart that in January 2019 the Bolton Hotel will be subject of substantial refurbishment and when it re-opens Ms Strawbridge said that Punch Taverns will be looking for someone who can run it with a different client base. Mrs Smart asked why Punch Taverns do not just close the premises now and leave it empty but Ms Strawbridge advised Mrs Smart that the building is listed and the company are concerned that it may be vandalised or attract squatters. Mrs Smart raised concerns with Ms Strawbridge that anyone going into the premises for such a short period of time is not going to be worried about how professionally the premises is run but Ms Strawbridge assured Mrs Smart that Pub Solutions have experienced individuals who regularly take on these types of premises.

Later that same afternoon Mrs Smart received a phone call from Mr Brierley of Pub Solutions, during which Mrs Smart advised him of our concerns. He told Mrs Smart that Mr Hardy would leave the premises sometime during the following week, ie week commencing Monday 3 December 2018.

On Monday 3 December 2018 Mrs Smart became aware of an incident at the Bolton Hotel during the early hours of Saturday 2 December 2018, as she had received an email from PC Jenny Hazlewood concerning this matter. A copy of this email is attached, together with log DCP-20181201-0037.

At 0039 hrs on the morning of 2 December 2018 Mr Hardy rang 999 indicating that 4 people were fighting outside his premises, and the group involved both males and females with lots of pushing and shoving. He told the call taker that he was the landlord and he had gone back inside and locked the door so he could not provide any further details. He said that they had all been drinking in the pub.

At 0043 the CCTV Control Room was monitoring the incident and indicated that one older male was trying to break the group up but the females were then having a go at the male. Mr Hardy then went out to try and assist the older male break up the fight and move everyone on.

At 0105 hrs police attended, nearly all of the persons involved ad left but of those still present no one would say anything or pass them details of the incident.

On Monday 3 December 2018, in line with our licensing policy, Mrs Smart sent a letter to Punch Taverns Ltd advising them that the status of the Bolton Hotel had been raised to a "Premises of Concern". A copy of this letter is attached.

At 1200 hours on Wednesday 5 December 2018 Mrs Smart met with Mr Brierley in order to discuss a matter not relative to the Bolton Hotel. At the conclusion of those discussions Mr Brierley asked Mrs Smart whether it would be possible for Mr Hardy to stay as the DPS at the Bolton Hotel. Mr Brierley stated that he had visited the premises a couple of times since Mr Hardy took over and he thinks Mr Hardy is really nice and keen to run a good premises. He said that if the police objected to Mr Hardy he would have a problem finding a replacement at the premises, particularly as it is closing for refurbishment in 7 weeks time. Mrs Smart advised Mr Brierley that an incident had occurred at the premises over the weekend, but Mr Brierley did not seem aware of that.

During the afternoon of Wednesday 5 December 2018 Mrs Smart attended the Bolton Hotel in order to discuss the above incident with Mr Hardy. However, on arrival Mrs Smart was advised by Mr Hardy's partner, [REDACTED], that he was not present and would not be back at the premises for some time. Mrs Smart advised [REDACTED] that she wished to view the CCTV of the incident and [REDACTED] indicated that although she had not used the system she was happy to try to play the footage.

They both went to the CCTV hard drive however this was password protected and [REDACTED] did not know the code. [REDACTED] then rang Mr Hardy and Mrs Smart discussed the incident with him over the phone.

Mrs Smart read the email from PC Hazlewood and asked Mr Hardy if he agreed with the content and he confirmed that he did. He then described the incident to Mrs Smart and said that after the incident had occurred he called last orders as there were only a few customers left.

Mrs Smart asked Mr Hardy what door steward company he uses, and he replied that he didn't know what company Punch Taverns or Pub Solutions use but he would find out. Mrs Smart asked for the names of the stewards that were on duty at the time of the incident and he informed Mrs Smart that there were no stewards on duty. Mrs Smart asked Mr Hardy what he thought the Premises Licence says in relation to the use of door stewards and he told her that he thought he had to have 2 stewards for the first

100 customers, and another steward for the next 100 customers. Mrs Smart informed him that this is correct, and then asked him when he thought he should use door stewards. He said that he thought he had to have them if he was selling alcohol after midnight. Mrs Smart then asked him why, if he knew the requirement of the licence, there was no door stewards on duty at the time of the incident. Mr Hardy then explained that he had only been given a copy of the Premises Licence that morning, ie Wednesday 5 December 2018. Mrs Smart then asked Mr Hardy what steps he had taken on the morning of Monday 26 November 2018, ie the day he started at the premises and became legally responsible for the sale of alcohol, to establish what the licence conditions were. He told Mrs Smart that he had read documents he found in the premises, but again stated that he didn't actually see the licence until that morning.

Mrs Smart also asked Mr Hardy if she could see his incident book but he advised her he didn't have one. Mrs Smart informed Mr Hardy that the licence requires him to keep an incident book and Mr Hardy said that he didn't think the previous DPS's of the premises had kept one as he hadn't found one when looking around the premises.

Mrs Smart informed Mr Hardy that the two females involved in the incident on 2 December 2018 were described as highly intoxicated by PC Hazlewood and she reminded him to ensure that the premises do not sell or serve alcohol to persons who are drunk.

Mrs Smart and [REDACTED] then went to the CCTV hard drive again in an attempt to view the footage, as Mr Hardy had told Mrs Smart the password. They were unable to get the system to play but [REDACTED] did notice that the timings on the cameras appeared to be about an hour out and Mrs Smart asked her to tell Mr Hardy about this.

At the time of preparing this letter Mr Hardy has been responsible for the Bolton Hotel for a period of 10 days. On his first weekend at the premises an incident occurred requiring Mr Hardy to ring 999 for police assistance. In addition, it is apparent that at least 2 conditions on the premises licence were not being complied with at the time of the incident. Furthermore, Mr Hardy admitted that within that 10 day period he had made no attempt to obtain a copy of the Premises Licence, which does little to assure me that Mr Hardy is competent to run a licensed premises.

Furthermore, as Punch Taverns Ltd are the Premises Licence Holders it is their responsibility to ensure that their premises is run in a way that promotes the licensing objectives, in compliance with the licence conditions and in accordance with the Licensing Act 2003.

As the Bolton Hotel requires firm, consistent and competent management that I do not believe Mr Hardy will be able to provide, I request that, in line with Section 39 (3)(b) of the Licensing Act 2003, you reject this application on the grounds that this is necessary for the promotion of the crime prevention objective.

Should you require any further information or assistance, please do not hesitate to contact my Licensing Officer, Mrs Julie Smart, on telephone number 01803 218900.

Dear Sir/Madam

Application to Vary the Designated Premises Supervisor in respect of The Bolton Hotel, New Road, Brixham, Devon, TQ5 8LT

I refer to my letter of Thursday 6 December 2018 in which I object to the application to vary the DPS of the Bolton Hotel to Mr Jonathan Hardy.

At 3.00 pm on Monday 10 December 2018, my Police Licensing Officer, Mrs Julie Smart, received a telephone call from Mr Hardy. Mr Hardy asked her if she was able to provide him with some drugs posters and crime prevention posters so that he could comply with the conditions on the Premises Licence. He further asked her if she is aware of the company responsible for the installation and servicing of CCTV system at the premises as he is not happy with the position of some of the cameras and he said that some of the images are blurry. He further said that in relation to the burglar alarm this is in place however he doesn't know the code to set the alarm and he wondered if Mrs Smart could advise him who is responsible for the alarm. He also asked Mrs Smart if she was able to supply him with the radios for use by door staff as he hadn't found any on the premises.

Mrs Smart advised Mr Hardy that she will send him some drugs posters. In respect of all his other queries Mrs Smart told him to direct these to Punch Taverns Ltd, who are the Premises Licence Holder, or to Mr Ian Brierley of Pub Solutions who he has been dealing with on behalf of Punch Taverns Ltd.

Mr Hardy informed Mrs Smart that as a result of their discussions on Wednesday 5 December 2018 he had read through the Premises Licence and was attempting to comply with all the requirements of the licence. He said that he had found a First Aid

box but the contents of this were out of date so he has purchased a new box and he has also purchased an incident book.

Mrs Smart advised Mr Hardy that if he was not in a position to be able to comply with all the requirements of the licence he should not be selling alcohol as he is committing offences under Section 136 of the Licensing Act 2003. Mr Hardy reassured Mrs Smart that he is attempting to address all of the matters requiring attention but that he needs some time in order to do so.

From the discussions that Mrs Smart has had with Mr Hardy she is concerned that Mr Hardy does not appear to understand the seriousness of failing to comply with the terms of the licence or the urgency required to resolve the matters still outstanding. Furthermore Mrs Smart does not believe that Mr Hardy possesses the skills, experience or characteristics necessary to manage the Bolton Hotel and this is a concern, particularly as it is now the Christmas and New Year period where there is a significant risk of alcohol related disorder.

Should you require any further information or assistance, please do not hesitate to contact my Licensing Officer, Mrs Julie Smart, on telephone number 01803 218900.

■ COSBY Peter 55186 (30/04/2012 13:18):

27/04 Visited and spoke to Gary Thomas DPS regarding content of report. I asked to see the incident booked for Saturday 14th April and there was no recording of violence during the day - SIA persons identified as [REDACTED] and [REDACTED]. I then ask to view the CCTV for the same day and during the viewing there appeared to be a incident at approx 2300 in the main bar area.

I requested a copy of the CCTV for the day for a more detailed viewing of the incident. This will be collected on Wed 2nd April pm.

I mentioned that the Officer spoke to the door staff who stated that no incident occurred. I stressed to Gary Thomas that it is imperative that the door staff are proficient in doing their job and that all incidents must be recorded and report to himself. The doorstaff have been contracted for a year since Xmas but is not a legal arrangement. He mentioned that he has not been entirely happy about the doorsatff that he has working on the premises and may consider employing new door saff in the near future.

CCTV to be viewed prior to determing what further action may be taken.

25 June 2012

Dear Mr Thomas,

The Bolton Hotel, Brixham - Audit Meeting 11 June 2012

Further to our meeting at Brixham Police Station on 11 June regarding the recent concerns over control, supervision at your premises which resulted in suspected incident on 14th April and a glassing incident on 22nd May. There was also concerns regarding a large scale disturbance on 4th June which following a visit from police it was suggested that you may have been intoxicated on the premises.

During our meeting on 11 June we discussed and agreed the following points regarding the control and supervision of the premises. The first three points require a Minor Variation to be submitted to Torbay council under Section 86A of the Licensing Act 2003 and a number of other requirements to enable the DPS to control/supervise the premises more effectively.

Minor Variation:-

- Alcohol Licence Sunday – Thursday to Midnight and close of premises at 00.30 hours
- All alcohol and soft drinks to be served in toughened glasses.
- Extension of CCTV coverage on the premises – bar monitor/ camera for lobby entrance and exit plus full coverage outside the premises and the DPS to be able to operate and record images upon request of a Police Office.

Control/Supervision requirements:-

- Management of doorstaff and to be in possession of radios whilst on duty on the premises.
- An incident book will be kept and all instances of public disorder will be recorded.
- Crime prevention posters to be displayed on the premises.
- Banning policy to be in place.
- No drunkenness or anti-social behaviour to be tolerated on the premises.

On this occasion you have been given the opportunity to rectify the issues that we have identified. However, should incidents continue to occur without improvement this may result in further action being taken in relation to your Premises Licence.

A copy of the this letter will also be forwarded to Punch Taverns, Pub Solutions and Licensing Authority for their records.

Importance: High

Please find attached a copy of a complaint about the Bolton in Brixham. Although it is anonymous it sounds like it is something that needs to be looked into by the police. Pete and myself did visit briefly on the 12th December for Pete to discuss the TEN that is mentioned in the letter, and the DPS did have concerns about drugs, especially in the rear smoking area.

I would be interested if someone can get back to me about what has been done so I can update our records.

Kind regards

Mandy

To whom it may concern,

I am sorry that I have not been able to put my name to this letter but I could not risk the chance that somebody found out I reported the public house in question, the last time I complained to the pub I got told to "do one" and that they knew where I lived to come and sort me out should I still have something to say!

The Bolton Hotel, New Road, Brixham is run by a lady Called Shan Brown, she I understand works for a company that takes on problem pubs that cannot be sold or leased, well this pub is truly one. Ms brown , I can understand wants to earn money but at the expense of public safety this is totally unacceptable.

I have a son and a daughter that used to always go in the Bolton but have recently stopped doing so because of the amount of drugs that are openly being sold and taken, my son particularly was always being asked did he want any pills or coke then when declining having to suffer an array of abuse about being a good little boy! There is security at the pub at the weekends but they show no interest and tend to spend most of the evening stood on the front door surely such a big pub should have more than two security staff? This pub has had a fair share of incidents over the years, including a tragic death, various serious assaults , a glassing of the landlord, burglaries and recently a stabbing of one of its live in tenants recently a friend of mine witnessed a certain [REDACTED] going behind the bar to put the kettle on, he then put sugar in the kettle and was going to throw this over a customer in the pub , luckily for everyone concerned , he was stopped and told to leave, my friend then was told [REDACTED] was barred but then was back in the pub drinking the very next day ! whatever next, no control at all, this is a pub run by its customers and not nice ones either.

The Bolton I have heard from my daughter is open later this coming weekend, how can a pub that is not run properly be let to have music till the early hours of the morning and no noise control, doors left open, windows open, totally no respect for neighbours at all, why are they allowed to do this? Ms Brown also runs the Watermans Arms in Brixham and trying to take over The Sprat and Mackerel , brixham , how can this work , who's going to be controlling what goes on , If it is within your resources maybe it would be a good idea for you to go in there in plain clothes and see what goes on there so we don't have to be worried sick should are sons and daughters frequent this premises.

Yours faithfully

A very worried mother and neighbour

Linda,

Also to make you aware an officer has now tried several times to have CCTV downloaded for two separate incidents from the above premises and despite the staff promising this would be done, when an officer attended today to collect it they were told that no staff there knew how to use the system and 'if the police wanted the cctv they would have to come in and get it themselves'. This has now resulted in this cctv being lost. I know that a visit was carried out last week in company with my Sergeant but it seems that we continue to have issues with this Licensee.

Many thanks

Dear Licensing,

Just to make you aware I have received information today whilst dealing with a crime that on Fri and Sat nights the Bolton pub is now staying open and serving alcohol until 3am. This was confirmed as I have been dealing with a case of criminal damage by a group of youths at 3.30am, one of whom stated the fact she was very drunk as the reason why she was involved, and when I asked where she had been for the evening she confirmed she had come out of the Bolton at 3am.

Do you know the authorised opening times for the Bolton to be serving alcohol to patrons?

Many thanks

Dear Ms Brown,

I am writing to you in your capacity as Designated Supervisor of the above named premises. This is following our meeting on Monday 1st December 2014 concerning reports of two violent incidents occurring on the premises. These occurred on the 8th November at 0030 hours and 14th November at 0011 hours 2014, and the police have concerns in relation to these incidents in respect of the supervision given over the premises. Both of these incidents clearly undermined the Prevention of crime and disorder objective under the Licensing Act 2003.

We also discussed the possibility of after hours sales on the premises on the 21st/22nd November 2014 but although the till showed it being closed at 0100hours, Saturday 22nd November. This I will remind you is clearly an offence of section 136, unauthorised licensable activity and the penalty upon summary conviction for this offence is a term of imprisonment of up to 6 months or a fine not exceeding £20,000 or both.

The police would strongly suggest that you give consideration to supporting the licensing objectives, and on this occasion you have been given the opportunity to rectify the expressed concerns that have been identified in relation to the premises. Should, however incidents of this nature continue to occur then this may result in further action being taken in relation to the Premises Licence.

Letters have also been sent to the Punch Taverns, Jubilee House, Second Ave, Burton upon Trent, Staffordshire DE14 2WF – Licence Holders for their information and Torbay Licensing Authority for their records.

If you have any queries please do not hesitate to contact me on 0759 5011601 or leave a message for me via the Licensing Hub, Middlemoor on 01392 452225.

The pub's floor was firstly noted as it was dirty and had drink stuck to it, all glasses had been cleared away but the floor was very dirty. He stated that there were 6 Builders from construction taken place on northboundary Road, Brixham. They had been in Bolton a couple of times for drinks during the week but not known prior to this. They had been drinking in the Bolton during the evening in the Bolton in and around the pool table area of the premises. Two male starte to argue around 0030 hrs which led to one hitting another. The door staff quickly reacted and immediately lawfully ejected the males and the remaining males also followed them outside pub.

Dear Sir/Madam

The Bolton Hotel, New Road, Brixham, TQ5 8LT

I refer to an application for the Variation of a Premises Licence in respect of the above named premises, submitted by TLT Solicitors on behalf of the applicant, Punch Taverns plc.

For your information, the Bolton Hotel currently has the benefit of Premises Licence Number PL0445 issued by Torbay Council.

The Bolton Hotel is situated at a busy junction within Brixham Town Centre. The surrounding area consists of a mixture of business and residential properties. The premises is currently licensed for the sale of alcohol until midnight on Mondays to Thursdays and 1.00 am on Fridays and Saturdays. The premises must close 30 minutes after the last sale of alcohol. The applicant is seeking within this variation application to extend the sale of alcohol by an additional 30 minutes on Friday and Saturday nights until 1.30 am the following day, with the premises closing 30 minutes thereafter, ie 2.00 am. The premises has a capacity of 170 persons.

The Bolton Hotel is situated a short distance away from Jackz Bar, Parkham Road, Brixham. Jackz Bar is licensed for the sale of alcohol until 2.00 am every day of the week, closing at 3.00 am. At the current time Jackz Bar and the Bolton Hotel are the only premises in Brixham Town Centre with Premises Licences authorising the sale of alcohol after midnight.

The police have examined the application and consider that the applicant has not given sufficient consideration to the Torbay Council Licensing Statement of Principles 2016-2021 and the proposed operating schedule needs further consideration. It is therefore apparent that they have not fully identified additional risks associated with their proposed operation and they do not consider that allowing persons to consume alcohol for an additional 30 minutes within their premises, prior to leaving at 2.00 am, will impact in any way on the Licensing Objectives.

I now outline below a number of matters contained within the current Premises Licence that the police consider are not acceptable for a premises now seeking a licence authorising the sale of alcohol until 1.30 am on Fridays and Saturdays:

1. Condition 4 of the application under the prevention of crime and disorder, Section M (b) relating to customer behaviour and training of staff. What training will be provided to staff so that they understand the requirements of both the Premises Licence and the broad provisions of the Licensing Act 2003? Again, will they be required to hold the BIIAB Level 1 Award in Responsible Alcohol Retailing?
2. Condition 5 under the heading the Protection of Children from Harm on page 9 of the application, refers to staff training in relation to age related sales. Will all staff involved in the sale of alcohol be required to hold the BIIAB Level 1 Award in Responsible Alcohol Retailing as indicated within the Licensing Statement of Principles (page 17)? What training records does the premises management hold in relation to staff training?
3. Neither the application or the Premises Licence give any information in relation to smokers. What is the premises policy in relation to smokers? Where will they be located and how will they be managed?

However, during the consultation period some negotiating took place in relation to the above items 1 & 2 but was inconclusive of any decision, see attached emails for details.

In respect of the current management of the premises, Mr Stephen Close has been the Designated Premises Supervisor of the Bolton Hotel since June 2015 and since that time the police have been satisfied with Mr Close's management of the premises.

For your information, the Premises Licence Holder, Punch Taverns plc, do not have a role in the day to day management of the premises. In fact Punch Taverns plc have appointed a holding company known as Pub Solutions to manage this premises, and it

appears to be Pub Solutions who are responsible for selecting managers for the premises. Pub Solutions also have no involvement in the day to day management of the premises but in the past a representative of this company has been present at meetings to discuss police concerns or particular incidents.

Since 2007 there have been 8 variations of DPS at the Bolton Hotel and it does not appear that Punch Taverns plc and/or Pub Solutions can find a suitable DPS who is committed to spending a long period of time at the premises. It is the opinion of the police that some of the previous DPS's at this premises have not been suitable to manage the premises and the police have had many meetings at the premises in the last 10 years in an effort to improve the management of the premises. Due to this the police have concerns that should this application be granted, Mr Close may leave the premises and we may continue to see a regular change of DPS which will have serious implications on the management of the premises, leading to adverse effects on the Licensing Objectives. I have attached a sheet outlining the numerous changes of DPS at the premises for your information.

If the application is granted it is highly likely to have an impact in relation to anti-social behaviour and noise issues until all persons have left the area, but I would point out that even if door stewards are on duty this is unlikely to prevent incidents and noise issues from occurring unless they are kept on duty until persons have calmly dispersed from the area.

Also attached for your information are copies of Forms L10 received by the Licensing Department since July 2013, together with details of crimes and logs at the Bolton Hotel and in the surrounding roads. Please note that in respect of New Road, Fore Street and Bolton Street, we have been unable to break this information down to the immediate vicinity of the Bolton Hotel. However it is my opinion that these roads are dispersal routes from the town centre and therefore customers leaving the Bolton Hotel will use these routes to go home.

I would refer you to the below paragraph which is contained within page 40 of your Licensing Statement of Principles:

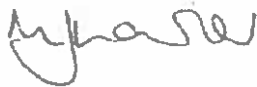

'There will be an assumption however that Licensed Premises in residential areas, or where there is proximity to residential properties, will only be allowed to undertake Licensable Activities until 11pm unless detailed consideration and mitigation measures have been proposed to address those concerns. A simple application with no supporting material can be expected to be refused, where relevant representations have been received.'

Although this premises currently operates until 1.30 am on Friday and Saturday nights, they are now seeking to extend their hours until 2.00 am on these nights, which carries a risk of impacting on the Licensing Objectives the Prevention of Crime and Disorder and the Prevention of Public Nuisance. As the premises are situated in an area consisting of both business and residential properties and the applicant has not given extensive consideration to the increased risk or proposed mitigation measures, the police consider that this paragraph is applicable.

In conclusion, the police object to this application on the grounds that the granting of it is likely to have an impact on the existing levels of crime and disorder and public nuisance both at the premises and in the area and, as the applicant has not fully identified additional measures they propose to implement to ensure that the premises can satisfactorily meet the Licensing Objectives, the police respectfully request that the Licensing Authority refuse this application.

Should you require any further information, please do not hesitate to contact Peter Cosby on 01803 218964.

Yours faithfully

Superintendent M Lawler

Dear Ms Kelly

Re: Notice under section 36 (1) & (4) Licensing Act 2003 – Application for Variation to a Premises Licence
PL0445 - Bolton Hotel, New Road, Brixham, Devon, TQ5 8LT

I am writing to you with respect to the committee hearing on 18 May 2017 to consider a variation to a premises licence for the Bolton Hotel.

I can confirm that the premises licence was granted as per the application submitted subject to the following committee decision.

Decision:

That the application for a Variation to a Premises Licence in respect of the Bolton Hotel, New Road, Brixham be approved as applied for subject to the following conditions:

- 1) the premises shall have and adhere to a Noise Management Plan. This Plan shall be agreed by Torbay Council's Public Protection Team and shall have particular regard to regulated entertainment, dispersal of patrons and designated smoking areas; and
- 2) all staff involved in the sale of alcohol after midnight shall hold a BIIAB Level 1 Award in responsible alcohol retailing, within 4 months of commencing employment. Existing staff involved in the sale of alcohol after midnight must also hold such an Award within 4 months from the date of this decision. Namely by the 18th September 2017.

Reason for Decision:

Having carefully consider the written and oral representations Members resolved to grant the application as applied for subject to the additional conditions, having been satisfied that such conditions would alleviate the concerns of the Responsible Authorities and uphold the Licensing Objectives.

In particular, Members were reassured by the representation made by the Public Protection Officer that the Applicant had worked with him to formulate extensive and enforceable conditions in order to uphold the Licensing Objective 'The Prevention of Public Nuisance'. Whilst the Police Representatives also made reference to the improvements in the management of the premises, they opposed the granting of the application, however Members were satisfied that the conditions imposed would alleviate their concerns.

Members determination to impose the condition regarding the BIIAB Level 1 Award was following consideration of Torbay Council's Licensing Statement of Principles, the concerns of the Police Representatives and being of the view that a reputable well run premises should seek to invest in their staff and provide reassurance to Members that the premises will be well run whilst upholding the Licensing Objectives.

Members determination to impose the condition regarding the Noise Management Plan was following consideration of the Licensing Objectives, the fact that there are residential properties in close proximity to the Premises and the concerns raised by the Responsible Authorities.

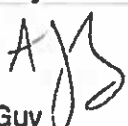

Members considered imposing a condition to supervise and limit the number of patrons using the designated smoking areas, however noted that the Licensing Authority had not received any complaints regarding the designated areas and in the absence of representations from residents in the area, Members deemed a specific condition to be unnecessary and that the Noise Management Plan should have regard to these designated areas to ensure that the Variation granted would not result in new complaints.

In concluding, Members noted that should an issue arise as a result of the granting this application then a review of the licence can be sought.

The new licence has been enclosed. It should be operated in accordance with the application and the Sub-Committee decision above.

I enclose a sheet advising you of your appeal rights, if you are unhappy with the determination made by the Licensing Sub Committee. If you have any queries then please do not hesitate to contact me.

Yours sincerely
