Dear Sirs,

License No P-0779

Application No. 056898

Hoburne Dava Bay, TG4 7JP

I am writing to object to the above application on the grounds that the noise it will produce will be unbearable.

I live directly opposite across Charnock Valley and the noise in the summer months is much too loud. Both the music and the micrylase of the camp are too loud. If the hours are extended it will be even worse, especially after 10pm to 1am.

When asked to turn the

Volume down, who answers the
phone at the camp tells you
to 'mind your own business'.

I am also telling you of a
feeling of 'anger' in the neighbourhood
that no notices were put
in Burtwood Drive, Westlands
Road or Pavill Way. The
areas that the noise carries
too. No notices on the
road to the camp, Avenue Road
and reford 2 in the woods
where my dog walks and runs
go. It is this because you do not
want any objections.

I have tried to object on
your website but it wait let me
make a representation, hence the
letter.

There are too many cameras
now in his camp & I decide
Nee is flying today over the back
of the new bridge into Chennai.

Please note this is a strong
objection. I know Nee
on his road one of the same
crimes. In different times
I would have done a
petition but with the lockdown
am not able to do so.

Please don't allow this
approach.

Yours faithfully

Dear ~~Mr~~ COMMUNITY SAFETY,

I am writing to you concerning application no. 056898 for Hoburne Devon Bays describe for a licence for bars to be open & music until 01.00am 7 days a week.

Last Summer we suffered loud music & djs or entertainment staff announcements all day long booming across Ctennon Valley. It was so loud you could hear clearly what the announcers were saying. I am very concerned we're going to be subjected to the same noise pollution this year & for longer if the application is

passed. I know a lot of my
neighbours were very unhappy about
it last year, as were residents on
Percill Way.

I'm not against people having
entertainment on site if kept within
reasonable hours + acceptable volume.
Please consider this application with
great care.

~~Yours faithfully,~~

Dear Sirs,

Reference: Grange Court (Hoburne) Limited licence application

As our house backs directly on to Clennon Valley, we are concerned about the application for changes to the licence of the above premises for the following reasons

- NOISE:

Because of the considerable increase to the number of caravans, which we believe to be up to 500, the application to extend licencing hours to 1am for the sale of alcohol, both inside and outside, seems to us very unreasonable and unsociable as it is likely to generate a lot of noise, especially with music being played in the same areas.

- NATURE RESERVE:

The very close proximity of the nature reserve means that the extra noise will also affect the nature reserve, which is dearly appreciated by local residents.

- FLY TIPPING:

We have already noticed an increase to rubbish being thrown over the fence onto the path below, including plastic items and waste, as well as bigger items such as a foam mattress....

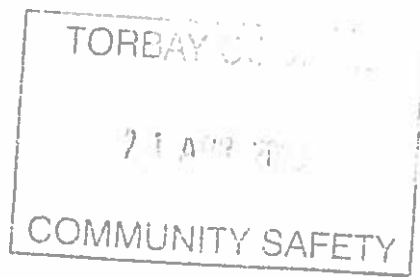

Thank you for taking our concerns into consideration and please inform us of any developments on the matter above and of any decision made.

Looking forward to your reply.

Kind regards,

Dear Sir / Madam,

Re: Application for variation of
a Premises licence - Grange Court
(Hobowne) limited

My wife & I are writing to register our
representation of disapproval to the above
application.

Although we have not made personal complaints
previously to the Council we understand numerous
households in our local community have in
relation to previous noise (excessive) disturbances from
Grange Court.

We are totally against any variation to the
existing licence as the problems we have experienced
with unacceptable noise levels over the years is/are
bad enough.

As regards "outdoor bars" until 01:00 it must
be regarded as a joke - we live in a valley that
reverberates noise (echoes substantially) - due being
CLENNON VALLEY.

Please note our concerns with the overall growth/
development of the Grange Court site - hope the noise,
drainage, runoff from all the hard surfacing, etc

[P.T.O.]

have all been taken into account when
the planning application was approved !!??

Dear Sir

Regarding the application by Hoburne Devon Bay Holiday Park for changes to their licensing conditions at Grange Court Road, Paignton.

I wish to lodge an objection on the grounds of The Prevention of Public Nuisance caused by noise.

During the past two years there have been events that have resulted in excessive noise from both loud music and shouting, both made worse by the use of audio equipment.

Clennon Valley is a natural sound amplifier and it has resulted in a great deal of distress to me and my neighbours.

Both myself and my neighbours lodged complaints to the company which have been disregarded.

Yours Faithfully
