Where crowd management measures are needed, all reasonable steps shall be taken to ensure that such persons do not obstruct exits, passageways and stairways.

The fire safety measures with which the premises are provided, will be maintained in good working order, and their adequacy will be determined on a regular basis, by carrying out a fire risk assessment, as required by, and in accordance with the Regulatory Reform (Fire Safety) Order 2005. I understand that the safety of occupants is also influenced by numbers of persons present, their disposition and the activities taking place, and therefore undertake to maintain a safe occupancy level.
