1. Purpose and Introduction

- 1.1 The Local Account for Adult Social Care sets out what we have achieved for local people in relation to adult social care and outlines our level of performance for last financial year and our commitment to future service delivery. The Government has asked that Local Accounts are put in place to offer councils the opportunity to share a common approach to the performance of adult social care. It also outlines the details of our multi agency approach to adult safeguarding. This reflects the view of government that adults safeguarding is on a statutory basis in the same manner that children's safeguarding is a statutory responsibility as outlined in the Care Act.
- 1.2 The attached Annual Local Account document has been delayed in publication in 2020 due to the CV19 pandemic.
