Subject: Torquay Neighbourhood Plan

Cockington Chelston and Livermead Community Partnership fully supports the submitted Torquay Neighbourhood Plan.

Our Community Partnership has been fully involved in and consulted by the TNP Forum and we see it as a vital element in the improvement of the quality of life of residents in Torquay and the future prosperity of Torquay. We fully support the protection of the designated Local Green Spaces as they represent the most cherished and special green areas within our community. We also fully support the allocated development sites and support building homes as our economy grows on a jobs led basis. We support Brownfield before Greenfield development.
