Dear Sir or Madam,

The Torquay Neighbourhood Plan has been intensity debated and developed over the last few years.

We - Mr and Mrs P.H. Coxill are residents in Maidencombe and have been for over twenty years.

We are not part of the debate but we have added our comments during the process during the distribution of the various drafts.

Consequently, we believe that the final draft is appropriate to be considered further as the

Neighbourhood Plan for this area.

We are in full support for this document.

Thank you for giving us the opportunity to submit our thoughts during the consultation period.

Yours faithfully,

Peter Coxill
