**Subject:** Torbay Neighbourhood Plan

Dear Sir or Madam,

My wife and I are residents in Maidencombe and have followed the development of the Torbay Neighbourhood Plan with great interest.

We believe that the final draft of the plan is appropriate for Torbay and particularly the area of Maidencombe.

We fully support the document as written and are looking forward to its adoption as soon as possible.

Thank you for giving us the opportunity to submit our support during the consultation period.

Yours sincerely

Kevin and Diane Steele
