Dear Sir/Madam

I wish to support the designation of Clennon Valley as a Local Green Space (LGS) in line with the proposal in the Paignton Neighbourhood Plan and want to express my concern that the proposed designation has been objected to by the Torbay Development Agency (Torbay Council)

This area has been used for a long time by residents as a 'green lung' in the heart of this area. It harbours a huge variety of wildlife, especially round the 'Lakes' area but also over the playing fields. I 'birdwatch' in this area many times a week throughout the year, it would be devastating to lose this very important area to any possible future development.

I wholeheartedly support Clennon Valley as a local Greenspace, it must be kept as a hugely valuable resource to the local community.

Yours faithfully

Lloyd Gray
