We both fully support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood Plan and do not support the objections previously raised by the council and Torbay Development Agency,

These areas are both essential for the local people, and have always been used without vandalism and with appreciation, indeed they meet our needs, children playing together safely away from traffic, and a pleasant green space and footpaths for walks, especially for people with limited mobility, some of whom gently exercise their wee dogs and safely dispose of the animal's excrement.

As long-standing residents of Hookhills, we have never been aware of any problems arising in the vicinity aforementioned and strongly recommend that the proposal by Paignton Neighbourhood Plan is respected.

Yours sincerely,

John C. Henderson
