Subject: Goodrington Village Green/ Neighbourhood Plan

I fully support the inclusion of the designation of Goodrington Village Green, off Grange Road, as a local greenspace as proposed by Paignton Neighbourhood Plan and do not support the objections recently raised by the Council and Torbay Development Agency. This is an amenity much enjoyed by local residents and visitors. Since the Goodrington, Roselands and Hookhills Community Partnership took over the maintenance of the Green, it is now a delightful area and a haven for wildlife.
