**Subject:** Hookhills green spaces

I fully and strongly support the inclusion of the designation of hookhills green area and play park as a local greenspace as proposed by the Paignton neighbourhood plan, and do not support the objections previously raised by Torbay Council and Torbay development agency . The hookhills & broadsands Park needs these green areas for play & leisure and cannot afford to loose another green area. Before long Torbay will be overdeveloped, over populated and look like a concrete jungle. I also feel that the Paignton forum is not representative of the views of local residents on this matter.
