Subject: Hookhills green area and play park, Freshwater Drive, Paignton.

Sirs. my Wife and I have lived at [REDACTED] for some 18 years. We pass the green area and play park daily and it has become a total part of our community facilities.

We see that is used daily by local mums with very young children, children from the adjacent Play School/Nursery and also from the adjacent Community Center.

It is in the core of a substantial housing area and there are no similar facilities within easy walking distance for Mums and small children.

The green open area is an essential welcome break from the closely packed housing.

We believe that if the area is taken for yet further development, it can never be replaced, whilst a substantial are of new housing land is now immediately available just across the Ring Road.

Yours.

Dave & Julie Mitchell. [REDACTED]
