Subject: Paignton Neighbourhood Plan - Hookhills Green Area and Play Park

Dear Sir/Madam

I fully support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood Plan and do not support the objections previously raised by the council and Torbay Development Agency.

This space is used daily by locals, children play in the park, the green area is used for locals to exercise and meet up, walk dogs and enjoy the outside space and views. It's essential that children have somewhere safe to play and exercise.

The park is also used by Hookhills community centre for the Cherry Pie Fair which is a lovely event which brings together the community, it would be such a loss to Hookhills if this area was developed in the future.

Please don't let this area go to development. The community love this area and no one I have spoken to wants any sort of development of this area.

Kind regards

Joanna and Sean Tiday
