

SAVE HOOKHILLS GREEN AREA & PLAY PARK

The Paignton Neighbourhood Plan (PNP) have proposed Hookhills green area and play park as a local Green Space giving much protection from future development - the council through the Torbay Development Agency have objected to this status!

There is currently NO PROTECTION on this area, so if a developer puts in an application it is very difficult for the local people to stop it. We need the Paignton Neighbourhood Plan Green Space Protection to give protection against future development.

Also, email local ward councillors stressing that the Paignton Neighbourhood Forum does represent the views of the local residents. Some are going to vote against the renewal of the PNP forum.

PLEASE ACT NOW!

Write or email the council with a supporting statement, similar to the below adding as much info as possible to back the statement.

Statements Must Be Submitted Before Midnight 18th December 2017

I fully support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood Plan and do not support the objections previously raised by the council and Torbay Development Agency.
