Subject: Hookhills Green Area

We fully support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood plan and do not support the objections previously raised by the council and Torbay Development Agency.

These areas are used daily by the local residents for a number of activities, such children playing safely and exercising their dogs but to name just a few.

There is also an extensive wild life habitation all of which will be destroyed should you allow this land for development.
