Re Hookless Green Area
and Play Park.

Dear Sir,

I have just received the enclosed and I wish to contact very strongly any future proposed buildings on these green sites.

When I bought my home from Boris when new, I was told it would be a green space for ever. That was why I bought the house, as I live opposite this nice view and not overlooked.

With all of the new homes being built on the big road, it is in my view and all of my neighbours to leave our green spaces alone, as it is much nicer and drier.

Hopefully, this will never happen, as a lot of people all over this area use the play area and walk their dogs on the green.

Common Sense should prevail in this matter. It is not the fault of the local people that the council have overspent for years and now trying to claw back any monies that they think that they can do.

Yours faithfully

Mr. P. A. Askew.

SAVE HOOKHILLS GREEN AREA & PLAY PARK

The Paignton Neighbourhood Plan (PNP) have proposed Hookhills green area and play park as a local Green Space giving much protection from future development - the council through the Torbay Development Agency have objected to this status!

There is currently NO PROTECTION on this area, so if a developer puts in an application it is very difficult for the local people to stop it. We need the Paignton Neighbourhood Plan Green Space Protection to give protection against future development.

Also, email local ward councillors stressing that the Paignton Neighbourhood Forum does represent the views of the local residents. Some are going to vote against the renewal of the PNP forum.

PLEASE ACT NOW!

Write or email the council with a supporting statement, similar to the below adding as much info as possible to back the statement.

Statements Must Be Submitted Before Midnight 18th December 2017

I fully support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood Plan and do not support the objections previously raised by the council and Torbay Development Agency.
