Subject: Hookhills Green Area Protection

To whom it may concern,

I wholeheartedly support the inclusion of the designation of Hookhills green area and play park as a local Greenspace as proposed by the Paignton Neighbourhood Plan and absolutely do not support the objections previously raised by the council and Torbay Development Agency.

This is where we as a family live, we use this green space, this is a park where my children play, where my daughter attends her pre-school. Greenspace is hugely important, people need a place to walk, children to play, people meet and chat whilst walking their dogs. It's safe, it's open and free. And to develop on this land would have a devastating impact on this area and the people who live here.

Please protect our precious Greenspace.

Kind regards,

Heléna Davies
